Job Notification Form

COMPANY OVERVIEW

Name of the Company	CAW Studio
Website / Other source of Information	https://www.cawstudios.com/
Company Type	Service
Brief write-up on the Company (50 to 75 words)	CAW Studios is Product Development Studio. WE BUILD TRUE PRODUCT TEAMS for our clients. Each team is a small, well-balanced group of geeks and a product manager that together produce relevant and high-quality products. We use data to make decisions, bringing big data and analysis to software development.

JOB PROFILE

Job Designation	Software Development Engineers
Job Description	We need complete geeks, hackers, and people who play with tons of code. We need people to dive in, right from Day 1 they're hired. We heart people who write code and believe 'get sh*t done' mantra. There's always loads to do and often half as much time. Just do what you have to do to get something done.
Place of Posting	Hyderabad
Key Responsibilities:	Software Developer
Type of Placement	Full time
