Subject: Read India Celebration 2022 – Transformative Reading and Leadership Initiative for college students (degree and postgraduate) - Regarding

Dear Sir/Madam,
Greetings from All India Council for Technical Education!

Which drives economies and individual success! Read India Celebration 2022 is a transformative reading, problem-solving, and Reading is the gateway to knowledge and innovation, and leadership experience for students (Degree & Postgraduate).

According to research and studies, the contribution of academics to individual success is only 50%, while the remaining 50% comes from practical reading, i.e., reading diverse non-academic books, "Self," and situations.

Students can participate in 3 simple steps:

1. Register by going to https://readindia.info/
2. Read a book/story or research a topic
3. Submit: Upload 2 files from the student's dashboard post-registration:

    1. Word/PDF Document:
        1. Page 1: Summarize the learnings from the book/story/research
        2. Page 2: Propose a solution to solve any problem of the participants' choice (e.g., street littering, air pollution, water pollution, water conservation, violent street protests, etc.).
    2. Video: Submit a 2-minute video on the learnings from the book/research topic with a self-introduction.

*The details are available at https://readindia.info/ric-2022/
The last date for student registrations is August 15th, and task submissions are due on August 20th.
You are requested to encourage students to participate in the aforesaid event.

With Regards,
Prof. Anil D. Sahasrabudhe|
