Subject: Request to participate in IBM Hack Challenge 2022 aimed to develop coding and development skills in students – reg.

Dear Sir/Mam,  
Greetings from AICTE..

IBM in collaboration with AICTE and Powered by SmartInternz has launched [IBM Hack Challenge 2022](#), aimed at developing coding and development skills in students.

Students can participate in the [IBM Hack Challenge 2022](#) and strengthen their technical learning and problem-solving skills. The theme this year is simple: **Code for a Better Future**. Students are given with an opportunity to learn through **Bootcamp** and **Build solutions** on new technologies that can help solve some of the world's biggest problems. **The event is open to All years and branches of Engineering/MCA/BCA/BSc-IT/MSc-IT students in India.**

Exciting Benefits for the students participating in Hack Challenge 2022:

- Online technical bootcamps
- Earn Red Hat & IBM Skill Badges
- No-Charge access to IBM SkillsBuild courseware and software
- Free access to Red Hat CodeReady workspaces & IBM Cloud
- Tech mentorship by faculty & industry members
- Exciting prizes for top winning teams + Additional giveaways for top Red Hat teams
- Special Jury Award for top performing teams
- Participation certificate from IBM for valid project submissions.

**The top teams will be invited to present to IBM leadership at Bangalore in an offline event, with grand finale.**

And some amazing prizes and certificates, on hand for **top teams, top faculty mentors and top performing colleges** at the event hosted in Bangalore in October 2022. Request you to forward this to your respective departments/students in the institution, we're looking forward to seeing some amazing projects this year as well!
