Subject: Invitation : International Day of Peace on September 21st -Regarding

Dear Sir/Madam,

Greetings from All India Council for Technical Education !

We are happy to inform you that September 21 was first designated as International Day of Peace by the UN in 1981, and since 2002 it has been honored worldwide as a day of peace, non-violence, and ceasefire. Since 2005, the Heartfulness organizations have been bringing awareness of this landmark day through our partnership with UNDP, holding events and campaigns around the globe, bringing programs to schools, and partnering with other peace ambassadors and organizations.

This year, the heartfulness organisation took it to the next level of engagement, launching a new Heartfulness initiative on September 21, known as Peacefulness. Peacefulness is a platform for unity and togetherness, promoting peace, transformation, and optimism in action. The vision is to enable everyone to enjoy and experience peace, share it with others.

Kamlesh D. Patel, also known as Daaji, the spiritual guide of Heartfulness has appealed to all institutions to participate in the programme.

Therefore, you all are invited for a 90 min program starting at 10:00 am IST on **September 21st** from your homes or college campuses and would be available throughout the day. All participating colleges and universities could be requested to join this program as their contribution towards the Global Peace movement of Heartfulness and AICTE jointly any time of that day by registering the college details at <http://heartfulness.org/peace> .

We hope you will join to promote and sustain peace. Feel free to contact at Daaji@heartfulness.org or sister Nivedita about this further.

In view of the above, Hon'ble Chariman AICTE, Prof. Anil D. Sahasrabudhe, requests your Institution(s) to kindly disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from this program.

Best regards,

Chairman,

All India Council for Technical Education,
