Subject: Information : NATIONAL CYBER SECURITY AWARENESS MONTH : OCTOBER 2022 -Regarding

Dear Sir/Madam,

Greetings from All India Council for Technical Education !

We are happy to inform you that the month of October is globally observed as the National Cyber Security Awareness Month (NCSAM), with an aim of increasing Cyber Security Awareness among the public and private sectors, which in turn will enhance the overall cyber resilience of the nation. Since 2004, the President of the United States and Congress have declared October to be Cyber security Awareness Month, helping individuals protect themselves online as threats to technology.

This year's campaign theme is "See Yourself in Cyber" which demonstrates that while cyber security may seem like a complex subject, ultimately, it's really all about people. This October therefore, we will focus on the "People" part of cyber security. organisation to engage in this year's efforts by creating your own cyber awareness campaigns.

Throughout October, it is requested that all organisations highlight six key action steps that everyone should take :-

- (a) Enable Multi-Factor Authentication.
- (b) Use Strong Passwords.
- (c) Recognize and Report Phishing/ Smishing/ Vishing.
- (d) Do not fall into any financial fraud trap.
- (e) Update your Software.
- (f) Be cyber security aware on Social Media.

Website : <https://www.cisa.gov/cybersecurity-awareness-month>

For more information, Kindly email at central@cisa.gov, Contact no : 888-282-0870

In view of the above, AICTE requests your Institution(s) to kindly engage in this year's efforts by creating your own cyber awareness campaigns and disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from this program.
