

Greetings from the Ministry of Education Innovation Cell & AICTE...

“Avail funding for patent through KAPILA”

As you are aware that the Ministry of Education’s Innovation Cell (MIC), in collaboration with All India Council for Technical Education (AICTE), has launched the **“Kalam Program for IP Literacy and Awareness (KAPILA)”**.

This program provides financial assistance to the institutions that are part of the Higher Education Institutions (HEIs) for filing the patent. This program will create appropriate awareness regarding the need of IP filing, mechanism, and methodology involved in filing IP in India and globally, especially amongst students and faculty of higher education institutions.

I kindly request to circulate this information among faculties and students of your institute.

NOTE: Only convener of the KAPILA Committee can register their institute and submit applications on behalf of the applicant’s not an individual (student/faculty). After Convener completes institute registration, kindly inform their respective Institute students and faculty to apply.

KAPILA REGISTRATION OPEN FOR PHASE IV

Register now through the KAPILA portal link: <https://kapila.mic.gov.in/>
