After 34 years, in 2020, a Bharatiya, innovative, democratic and student-centered National Education Policy was introduced. This policy needs comprehensive discussion and deliberation, so that the people related to education may understand its property and pave the way for its smooth implementation. There will be a very thoughtful discussion in this Gyanotsav on the issue of how education can be a means for enabling students, institutes, and our Bharat to become self-reliant. In view of these objectives, this third Gyanotsav - 2079, to be held on 17th - 19th November, 2022, Shall have following topics related to the vision of "Self-Reliant Bharat Through Education".

- a) Skill development, startups, and research in education.
- b) Implementation of NEP - 2020
- c) Role of education Institutes in Aatma Nirbhar Bharat (self-reliant Bharat.)

The discussion will be centered on the issue of how educational institutes, community engagement, and startups in education and research can contribute to making our country self-reliant. About 800 to 1000 vice chancellors, Directors, Senior Educationists, and Heads of Institutes from all over the country will participate in this event.

For more information please contact Gyanotsav Organising Committee, contact details given in the attachment.

In view of the above, AICTE requests your Institution(s) to kindly disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from this event by visiting the exhibition during Nov 17-19, 2022.
