

Material Recycling Association of India (MRAI) is the apex National Association of India, representing the interest of the recycling industry with over 1200 members, including most Regional Trade/Product Associations.

MRAI is organizing its 10th INTERNATIONAL MATERIAL RECYCLING CONFERENCE ON 2 to 4 FEBRUARY, 2023 AT HOTEL GRAND HYATT, BOLGATTY, KOCHI, KERALA. The Conference is expected to witness over 2000 delegates & 79 Exhibitors from worldwide. Regional Winners get TWO FREE PASSES to improve visibility of your enterprise and solution.

The IMRC will center-stage, recognise, honor and applaud Indian talent contributing to the national aspiration of a Swachh and Atmanirbharat Bharat in the Amritkal. The IMRC Awards will recognise the best indigenous innovations, ideas and inventions that will help transform India's recycling industry to a world class state of the art ecosystem. An Eminent Jury will evaluate and announce Five Award Winners at the Gala Dinner on 4th February 2022 and that would be beamed live on social media.
