

Dear Madam/Sir,

Greetings from All India Council for Technical Education !

We are happy to inform you that The British Council Women in STEM Scholarships are awarded to support women who wish to pursue postgraduate study in science, technology, engineering or maths (STEM) at a university in the UK who can demonstrate their need for financial support and who wish to inspire future generations of women to pursue careers in STEM.

Partnering with 19 universities across the UK, this scholarship scheme includes tuition fees, a monthly stipend, travel costs, visa and health coverage fees. More information is available on the British Council's website: <https://www.britishcouncil.org/study-work-abroad/in-uk/scholarship-women-stem>

- **Deadline for applications is 31 March 2023**
- The scholarship is also open to women with dependents to apply, with extra support available.

In case of any further doubts/queries, applicants are requested to contact Ms. Vishu Sharma, Senior Project Manager, Higher Education (Mobility), British Council at [vishu.sharma@britishcouncil.org](mailto:vishu.sharma@britishcouncil.org)

It may be noted that the Ministry of Education, Government of India has no role in nomination/selection of the candidates.

In view of the above, AICTE requests your Institution(s) to kindly disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from this STEM Scholarship scheme.
