

Dear Sir/ Madam,
Greetings from All India Council for Technical Education !

We are pleased to inform you that the Hon'ble Chairman AICTE has launched DRISYAM (An Acronym for Dashboard Reporting In SYstematic Analysis and Monitoring) portal on 22nd February 2023 (<https://drisyam.aicte-india.org/>). Now, anyone can avail this new portal and get the latest statistics about various initiatives and schemes of AICTE.

DRISYAM is an effort of AICTE to provide user-friendly Dashboard(s) to understand different initiatives and schemes of AICTE. Real time data is shown in dashboards using the power of effective data visualization. Different Dashboard's are created for better understanding and Insights about the data. Data is Visualized for Approval Process, AICTE Training and Learning (ATAL) Academy, Prime Minister's Special Scholarship Scheme(PMSSS), Student Learning Assessment (PARAKH), AICTE Student Scholarship Schemes such as (PG Scholarship, SAKSHAM, PRAGATI, ADF), Institutions Development Schemes, Faculty development Schemes and for Higher Education Volunteer Programme (Vidyanjali). The data accumulated over the years provide a very robust foundation for analysis and analytics on a real- time basis in order to enhance the data driven decision and for better policy designing.

In view of the above, AICTE requests your Institution(s) to kindly use this portal and also disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from DRISYAM portal.

Best regards,
Manoj Singh
Assistant Director (eGovernance),
All India Council for Technical Education,
