Dear Madam/ Sir,

Greetings from All India Council for Technical Education !

We are happy to share small documents that will help to protect your personal data and increase the cyber security of your IT infrastructure. The following attached documents have information on botnet/ malware/ ransomware dangers and remedial measures suggested:-

1. Cyber Security - Do's and Don'ts

2. User Guide - 10 Steps to Protect your personal data

In view of the above, AICTE requests your Institution(s) to kindly go through the attached guidelines and follow in your day today activities to get SAFE from cyber threats as well as safety to the organisation and disseminate this information among all the faculty members, Students, staff & others so they can take the benefits from these Guidelines.
