

Dear Principal / HoD,

Climate is not changing, it has changed. Youths are important stakeholders of the future. Youth are going to stay longer on the planet and are going to face greater consequences of Climate Change.

AICTE jointly with Energy Swaraj Foundation (ESF) has launched a G20 initiative on "Youth Action for Climate Correction (YACC)" in line with Mission LiFE of Hon. Prime Minister.

AICTE invites and encourages all affiliated institution to take part. These include:

Step-1: Register and Complete Energy Literacy Training (Please register as 'organization' at <https://bit.ly/aicte-elt>)

Action-2: Take part in World's largest Global Climate Clock Assembly and Display event (please register at es-pal.org)

If you agree to take part in world record event, please fill up the google form:

<https://forms.gle/h7iU3HyPFPKoLeEj6> as your acceptance.

Benefits to college for participation:

1. Opportunity to be part of prestigious Guinness Book of World Record event
2. Hands on Training to assemble a climate clock to the participants
3. One Free Do-it-yourself (DIY) kit of climate clock (if organization wants, it can buy more kits)
4. FREE Energy Literacy Training to all students, with logo of college on all the certificates along with logo of Atal Innovation Mission (AIM). Please register as 'organization' at <https://bit.ly/aicte-elt>
5. Silver or Gold Certificate of Appreciation to colleges completing 500/1000 Energy Literacy Training

Requirements to be fulfilled by Schools:

- Confirmation that you accept to be the part (fill up: <https://forms.gle/h7iU3HyPFPKoLeEj6>)
- Compulsory Registration & Completing Energy Literacy Training of 500 students (for Silver certificate) or 1000 students (for gold certificate) before or by March 24th2023.

kindly also find the Student Development Cell, AICTE Brochure for your reference.
