

Dear Sir/Madam,

We are proud to share with you that the Hon'ble Prime Minister has named the AICTE Internship Portal as National Internship Portal during his address to the nation in **post-budget webinar on Harnessing Youth Power-Skilling and Education.**

The link of the video is share here under:

<https://www.youtube.com/watch?v=vlrnDprRMKk>

In order to realize the vision of the Hon'ble Prime Minister to provide all skilling and internship opportunities to each youth and also for career progression of students along with skilling them as per the emerging needs of industries, you are requested to promote and ensure registration of all your students (newly joined and recently passed out) on the above portal.

The registration link of the portal is as below:

We at AICTE are effortful to onboard new industries with internship opportunities on the above portal. Also, the portal is very soon to be extended as placement portal, thereby enhancing the placement/employment opportunities for the youth many folds.

Accordingly, you are once again requested to publicise this portal among your students and encourage them to register there towards making India a nation of skilled and employed youth; thereby, realizing the vision of Ek Bharat Shrestha Bharat.

Following persons may be contacted at AICTE for details of the placement initiative.
