Subject: Regarding "Cyber Security Skill Programme" for AKTU Students (FREE OF COST for SC/ST)

Dear Sir/Ma'am,

We are pleased to inform you that C3i Hub, IIT Kanpur has launched "Cyber Security Skill Programme" for our students. The course is provided FREE OF COST for SC/ST students and includes nominal fee for other category students. Below are the details of the programme:

About Cyber Security Skill Programme: This course explores the most critical elements beyond technology that shape the playing field on which cybersecurity problems emerge and are managed. The course covers system security, malware analysis, network security, cryptography, and IoT security. It is a fully online course providing students both fundamental knowledge and hands-on experience. An integral part of the training is customized labs at every student's desk through the **Cyber Range**.

Course Language	: Hindi
Course Duration	: Eight Weeks (6 hours / Week)
