

We would like to bring to your kind attention about the upcoming opportunity for the students on Salesforce Technologies.

Salesforce in association with AICTE and their execution partner SmartBridge is launching its 4th Cohort of the year as part of their Virtual Internship Program for students. This Cohort is starting from 16th October 2023.

The Salesforce Supported Virtual Internship Program is designed to enable learners on salesforce technologies across the country. The program was launched last year 30th March 2022 and successfully completed with some amazing outcomes outlined here:

50K plus learners have completed the overall journey

Learners from 700+ colleges joined the program

5000+ Learners were connected to opportunities

Launched in partnership with AICTE

Organisations like Nasscom, Monster, Github joined hands as partner

Corporates like Accenture, Deloitte, Persistent have involved their fresh hired candidates into the program for training them on Salesforce

With the same spirit and excitement Salesforce will be starting the next cohort – Cohort 4 on 16th October 2023.

Benefits of Virtual Internship Program:

120 hrs. of overall learning experience

Hands-on Bootcamps, Project work and Mentoring support

Acquire Super Badges on Trailhead platform

Receive Virtual Internship Completion Certificate

Students can submit the certificate to apply for academic credits subject to approval from College/university or affiliated state/central university as per UGC/AICTE norm and guidelines.

Develop interview skills through an exclusive soft skills training

Access to career fair with networking opportunities (via Interested Partners)

Get prepared for Salesforce Professional Certifications

Virtual Internship Tracks:

Salesforce Administrator: Branch: All | Other Skills: Both Coding and Non coding background students

Salesforce Developer: Branch: All-Recommended CSE, ECE and IT etc. | CGPA: Not Applicable | Other Skills: Basic Programming Knowledge, object-oriented programming language and language to manage data held in a relational database management system

We seek your support to encourage students to apply for the Virtual Internships at:

<https://internship.aicte-india.org/internshipbysaleforce.php>

Refer the event page for more details –

<https://smartinternz.com/salesforce-virtual-internship-program-2023>

We hope that our internship portal, which is entirely free of cost, will be helpful to your students in adapting to a transparent internship process and abundant access to real, credible and the most genuine opportunities.
