Subject: Celebration of National Unity Day and Pledge taking on Skill India Digital

Respected Sir,

As you are aware, the Birth Anniversary of Sardar Vallabhbhai Patel, the architect of national integration of independent India, is observed as "Rashtriya Ekta Diwas" (National Unity Day) on 31st October, every year. This is an occasion to foster and reinforce our commitment to strengthen the unity, integrity and security of the nation.

As the nation prepares to celebrate Rashtriya Ekta Divas (National Unity Day) on 31st October 2023, it offers us a unique opportunity to emphasize the significance of unity and integration which are paramount for our country's progress.

Recently, the Union Minister for Skill Development and Entrepreneurship, launched Skill India Digital (SID). This comprehensive digital platform aspires to provide every Indian with access to quality skill development, relevant opportunities, and entrepreneurial support.

The Skill India Digital has taken a commendable initiative towards the celebration of National Unity Day by providing a platform for individuals to pledge their commitment in preserving the unity, integrity and security of the nation.

In the spirit of National Unity Day, we kindly request you to issue appropriate instructions to the concerned departments in the States/UTs urging the school and college students to take the pledge & generate their certificate on Skill India Digital. This act will not only signify their commitment to personal growth but also highlight their dedication to the nation's unity and progress.
