

Dear Sir/Madam,
Greetings from AICTE..

We are delighted to inform you that with the vision to provide uninterrupted online learning to millions of students across the country, the **All India Council for Technical Education (AICTE)** and **Virtual Cyber Labs** have partnered to empower students and educators by leveraging cybersecurity technical skill-set for building future-ready skills in National Educational Alliance for Technology (NEAT) scheme.

Virtual Cyber Labs is a leading cybersecurity-based EdTech company specializing in delivering placement-oriented beginner to advanced cybersecurity and ethical hacking training programs. With over 50+ industry-ready courses and live training programs, they are helping students crack placements in the cybersecurity industry.

They have 15+ **Centre of Excellence** in partnership with institutes. If your esteemed college/university is looking forward to setting up a Cybersecurity Centre of Excellence or organizing a **FREE 2-day Bootcamp** on cybersecurity for college students, kindly fill out the form here, and the team will be in touch with you shortly.

Form Link: <https://forms.gle/AH4aAYgBjDSubCg96>

Cybersecurity is a high-demand skill these days, with an increase in attacks on companies, corporates are looking for the right candidates. The Bootcamp and COE can help students understand the approach for designing their careers in cybersecurity and ethical hacking. It is suggested to utilize these courses and also circulate them among your stakeholders to avail the benefits of this application.

For any other assistance/clarifications, you can contact Virtual Cyber Labs at 9910824473 or support@virtualcyberlabs.com

With Regards,
Buddha Chandrasekhar,
Chief Coordinating Officer
