

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

As you may be aware, the national on-line education MOOCs platform "SWAYAM" was launched by MOE on 9th July 2017. A number of top-ranking Universities/ Institutions today offer on-line MOOCs/Certificate programmes through SWAYAM in almost all disciplines including high demand areas of new technologies. Till date more than 3000+ courses have been offered through SWAYAM and the total enrolments in these courses have crossed 3.89 crores.

The framework for transfer of credits (up to a maximum of 40%) has already been put in place by UGC by bringing out necessary regulations. With this, the students studying in conventional Institutes / Colleges can transfer the credits earned through the SWAYAM Courses into their academic records. About 295 Institutions / Universities have recognized the SWAYAM Courses for credit transfer and many others are in the process of doing the same.

For the current January 2024 Semester, 1183 courses are offered on SWAYAM portal for learners (list attached).

In view of the foregoing, AICTE requests your institution to share this information with all the faculty, students, staff, and others, so that they can benefit from the credit transfer of high-quality MOOCs courses of SWAYAM.
