

Respected Sir/Madam,  
Greetings from AICTE...!!!

As you may be aware, the implementation of Online Learning in the teaching-learning process is crucial in today's digital era. In order to provide awareness and capacity building on the conceptual background of Online Learning, Blended Learning, and Digital Initiatives in India, we are pleased to inform you of a FREE SWAYAM MOOC course.

The course aims to equip the teaching-learning community in India with the necessary knowledge and skills to effectively implement Online Learning in their processes. You can access the course through this link: [Click Here](#)

We urge you to take advantage of this opportunity and enroll in the course. Thank you for your time and consideration.

**With regards**
