

Dear Research Enthusiasts,  
Greetings from All India Council for Technical Education (AICTE) ..!

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan offers scholarships to international students who wish to study in graduate courses at Japanese universities as Research Students (either regular students or non-regular students) under the Japanese Government (MEXT) Scholarship Program.

Please refer to the attached document for the Application Guidelines of the "Japanese Government (MEXT) Scholarship". For more details, you may also follow the link at [https://www.in.emb-japan.go.jp/Education/Research\\_Student.html](https://www.in.emb-japan.go.jp/Education/Research_Student.html) .

The deadline for submission of application is 3rd May 2024.

AICTE encourages Research Enthusiasts and Indian students interested in pursuing research focus graduate courses in a variety of disciplines including science and technology to submit their applications at the earliest and avail the study scholarship support.

For any query, you may also contact "The Embassy of Japan" in India.

In view of the foregoing, AICTE request your institution to share this information with all the faculty, students, staff, and others, so that they can benefit from it.
