Subject: Revised Eligibility Criteria for Admission to BCA Programme

This is to inform that as per the approval of the 73rd Academic Council, item no. 73.09 and through the letter no. [ए०के०टी०यू०/यूपीटीएसी-2025/2359](#), dated 22-05-2025, the requirement of Mathematics at the 10+2 level for admission to the **Bachelor of Computer Application (BCA)** program has been **relaxed**.

Now, the students who have passed **10+2 in any stream** are **eligible** for admission to BCA. The first-year curriculum will include an **Elementary Mathematics Bridge Course** to support students without a Mathematics background.

This change is to be implemented **with immediate effect** and also the same is available in Uttar Pradesh Technical Admission Counselling (UPTAC) [Information Brochure](#) (2025-26 at page no. 4).
