**Subject: Implementation of Awareness Activities and Institutional Mechanisms for Nasha Mukht Bharat Abhiyan (NMBA) in Higher Education Institutions-reg.**

**आदरणीय महोदया/महोदय,**

In line with the national objective of creating drug-free campuses and promoting healthy, productive environments for students, and in continuation of UGC letter dated 08.08.2024 (copy enclosed), all Higher Education Institutions (HEIs) are encouraged to undertake comprehensive awareness and prevention activities under the Nasha Mukht Bharat Abhiyan (NMBA).

The awareness activities under the Nasha Mukht Bharat Abhiyan (NMBA) for Higher Education Institutions (HEIs) include nukkad natak, skits, plays, yoga, meditation, sports and physical activities including leveraging influential alumni from colleges for the NMBA. The program aims to institutionalize NMBA covering the whole academic cycle of a student, starting from an anti-drug declaration and a seminar for fresh batches. It also envisaged formation of anti-drug committee, constitution of clubs aimed at drug free campus, provision of individual and group counselling and formation of Nasha Mukht Hostel Committee for continuous engagement with hostellers.

The progress on creating awareness about NMBA on the campuses also came up for review in the 8th APEX Level Meeting of Narco-Coordination Centre (NCORD) held on 15.05.2025 under the chairmanship of Union Home Secretary. It was decided that in addition to the ongoing activities as part of NMBA on the campus, the following initiatives may also be carried out:

1. Increased focus on the institutions based on proximity to international border, pressure environments and known hotspots
2. Need for holistic student development beyond academics and engaging youths in extracurricular activities like yoga, sports etc.
3. Dining halls to be professionally managed with supply of wholesome food and those skipping on meals should be monitored for likely substance abuse or any other problem
4. CCTVs should be installed in the perimeter wall and entrances to the campus to check on entry of drug couriers and suppliers
5. Holding of week-long awareness/ de-addiction camp in the Universities/ Institution every 6 months with an objective of Drug Free Campuses
6. Designate the Registrar or equivalent officer as Anti-Drug Officer in each institution

D.O. No. DP/7/2023-DP-I

August 6, 2024

The Department of Social Justice & Empowerment (DoSJE) launched the **Nasha Mukh Bharat Abhiyaan (NMBA)** in August 2020 to combat the menace of substance use through mass awareness, counselling and providing treatment and care. Since its launch in the year 2020, the Abhiyaan has transformed into a Jan Aandolan through the participation of 11.22+ Crore citizens of the country including 3.55 + crore youth. Now, Nasha Mukh Bharat Abhiyaan is extended to all the districts of the country with special focus on the youth, Students and educational institutions.

2. The Hon'ble Home Minister and Minister of Cooperation chaired the 7th Apex Level Meeting of Narco-Coordination Centre (NCORD) on 18th July, 2024, in New Delhi, and reviewed the progress of Nasha Mukh Bharat Abhiyaan. While appreciating the efforts of all the stakeholders of the Abhiyaan including the states and UTs, Hon'ble Home Minister encouraged all to take up activities in mission mode for successful nationwide execution of the Abhiyaan. Hon'ble Home Minister also desired that Nasha Mukh Bharat Abhiyaan activities be carried out in the hostels of the educational institutions, to aid the young students in the fight against substance use, and to cope with factors like academic stress, peer influences etc., and promote the abilities in students to make good choices of life.

3. With this vision, it is requested of all the hostels in Central Universities, Indian Institutes of management (IIMs), Indian Institutes of Technology (IITs), All India Institute of Medical Sciences (AIIMS) medical colleges, engineering colleges, polytechnic colleges, Industrial Training Institutes (ITIs) and hostels of other Higher Educational Institutions to implement the following measures.

3.1. Formation of a Nasha Mukh hostel committee in all educational institutions. The composition, roles and responsibilities of this committee are attached in the Concept Note (Part I) attached as Annexure I.

3.2. Formation of an annual schedule of activities to ensure sensitisation and awareness of the student community, faculty and residents of the hostel. Training and sensitisation of all the counsellors, shall be done with the help of NIMHANS/ AIIMS, New Delhi and National Institute of Social Defence (NISD). A non exhaustive list of awareness activities is also attached in the Concept Note (Part II).

3.3. Universities should have a collaborative mechanism with the enforcement agencies to ensure that supply of narcotic drugs from neighbouring boundary areas/slums/hotspot etc., is curbed. Sensitization efforts in university campuses should be conducted with various stakeholders to ensure the student population remains in a safe and drug-free environment. This collaborative approach aims to create a vigilant community, effectively combating drug peddling and illegal trafficking.

3.4. Proper referral & networking systems may be evolved through the following helpline numbers:

a. National Toll-free de-addiction helpline: 14446 - This helpline is to provide confidential psychosocial support and counselling by trained counsellors is supported by the Department of Social Justice and Empowerment (DoSJE).

b. Tele Manas: 14416 - provide free tele-mental health services is supported by the Ministry of Health & Family Welfare

c. MANAS (Madak Padarth Nisedh Asuchna Kendra): 1933 - Citizens of the country can anonymously share information on drug supply, peddlers and illegal drug trafficking. This helpline is supported by Ministry of Home Affairs (MHA) and Narcotics Control Bureau (NCB) where identity of callers is kept confidential.

3.5. As you are aware, newly admitted students (hostel residents as well as day scholars) are at higher risk of substance use due to peer pressure, academic stress, lack of supervision and mental health issues among others. The absence of structured routines and easy access to substances also contribute to this risk. First-year students also face emotional challenges due to transitioning to independence, loneliness, and homesickness, which can further lead to substance use as a coping mechanism. Therefore, NMBA activities in hostels may put special focus on sensitising and training 1<sup>st</sup> year students and parents through a sustainable plan of action.

3.6. A structured approach has to be implemented to provide students with continuous support throughout their academic journey, ensuring they receive assistance as explained in the Concept Note (Part III).

4. An Action Taken Report (ATR) may be submitted by Vice Chancellors/dean/head of the institutes of the concerned higher educational institutions to Department of Social Justice and Empowerment (DoSJE) with a copy to Department of Higher Education (DoHE) as per proforma attached in the Concept Note (Part IV). The names and contact details of nodal officer of the Nasha Mukta Hostel Committee may be provided so that login access to NMBA mobile application may be provided by DoSJE for uploading the activities in upcoming academic years.

Your prompt action in this regard is much appreciated.

## **ANNEXURE I:**

### **CONCEPT NOTE FOR EXPANDING NASHA Mukh BHARAT ABHIYAAN IN HOSTELS OF HIGHER EDUCATIONAL INSTITUTIONS**

#### **NASHA Mukh BHARAT ABHIYAAN**

The Department of Social Justice and Empowerment being the nodal agency for drug demand reduction launched its flagship mass awareness campaign 'Nasha Mukh Bharat Abhiyaan' (NMBA) on 15th August 2020 in the 272 identified districts. It has successfully evolved into a Jan Andolan covering all the districts of the country since 15 August 2023, and is now entering its fifth year. In the past four years, a wide range of activities under the banner of NMBA have been undertaken across the country with the participation of youth, children, educational institutions, women and the community. With the active participation of all the stakeholders, NMBA has been able to sensitize, educate & inform 11.22+ crore people including 3.55+ lakh youth, 2.35+ lakh women, 3.39+ lakh educational institutions and 9000+ master volunteers through 3.91 lakh activities conducted at various levels across the country. Recognising the exemplary efforts of the states and districts under NMBA, the Hon'ble Prime Minister also appreciated the abhiyaan activities in his Mann Ki Baat episode on 30 July 2023.
