Dear Sir/Madam,

Greetings from the **All India Council for Technical Education!**

We are pleased to inform you that under the aegis of the Ministry of Education, AICTE has been allocated a television channel on Doordarshan's Swayamprabha platform.

AICTE's **SWAYAM PRABHA Channel 9**, is a DTH television channel that brings to its viewers **high-quality, meaningful content** in the domains of **innovation, start-ups, and technology**. The channel serves as an important platform to inspire creativity, promote entrepreneurship, and highlight the spirit of innovation across India's academic landscape.

To ensure wider accessibility, **SWAYAM PRABHA Channel 9 is also simulcast live on YouTube**, enabling students and faculty to conveniently watch and engage with its informative programs.

In light of its educational value, all AICTE-approved institutions are requested to:

1. **Encourage all students and faculty members to subscribe to AICTE's SWAYAM PRABHA Channel 9 on YouTube.**
Subscription Link: https://www.youtube.com/@sprabha09_New
2. **Prominently share the link** through institutional communication channels (website, notice boards, social media groups, etc.).
3. **Submit a brief report** indicating the approximate number of subscriptions generated from your institution at the following email: me.mic@aicte-india.org.

We look forward to your proactive support in this initiative. Your cooperation will go a long way in fostering an ecosystem of innovation, learning, and entrepreneurial growth among our young minds.

With Regards,
