Subject: Regarding Launch of TCS CodeVita Season 14 for Engineering graduate and post graduate students of 2027/2028/2029 and 2030 passing out batch

Dear Sir/Ma'am,

This is to inform you that TCS has launched the TCS CodeVita Season –14 coders competition, a 24-hour global online programming challenge designed to promote the notion of **@Code for Impact**". The ultimate platform encourages budding coders to participate through a series of real-life challenges across a stretch of three rounds to bag the coveted **"World's Best Coder"** title, where they stand to win glory, rewards of up to USD 20,000 (cumulative), and make an impact through code.

You are hereby requested to encourage our graduate and post graduate engineering students from 2027/2028/2029 & 2030 passing out batch to register till **November 13, 2026** through the below-given registration link:-

Launch of TCS CodeVita Season 13 — where young coders from all corners of the world compete to prove their mettle. TCS CodeVita™ is a 24-hour global online programming challenge designed to promote the notion of “**Code for Impact**”. The ultimate platform encourages budding coders to participate through a series of real-life challenges across a stretch of three rounds to bag the coveted “**World’s Best Coder**” title, where they stand to win glory, rewards of up to USD 20,000 (cumulative), and make an impact through code.

We bring together the brightest minds from diverse cultures to battle it out and push boundaries. Your influence can inspire talented coders to compete in this global challenge, further enhancing the legacy of TCS CodeVita. All information about the event, including the registration procedure, is available on the official website: <https://codevita.tcsapps.com>

We request your support in registering interested students for the CodeVita. Registrations will continue until 13 November 2026.
