Editor's Message

Dear Readers,

It saddens me to inform you all about the demise of our beloved Founder Chairman, Shri K.L. Gupta Ji on 2nd January 2017. He was the mind behind our GNIOT Group of Institutions and it was due to his sheer perseverance that this group has scaled a lot of verticals and was striving to continue with the same in coming times too.

For the past few years, he was not keeping good health and even that did not discourage him to be actively associated with the workings of the Institute. He was always there to guide us in all our endeavors. The void created by his death can never be filled.

With the re-launch of the magazine last year, Founder Chairman Sir gave us his blessings and asked us to bring a better version of the issue every time.

Udgam is a bi-annual newsletter and this current issue covers the major events that happened in our institute in this semester i.e. July-Dec 2016. We started this semester, by welcoming a new batch of students in B.Tech, MCA, MBA and PGDM streams. Mr. S. M. H. Siddiqui, General Manager-HR, Idea, was the chief guest at the B.Tech Freshers's Event where students of first and second year put up a grand show. The MBA Institute organized an orientation programme for newly admitted MBA & PGDM students. Mr. Munesh Kumar, Commissioner, Income Tax graced the event with his august presence.

All the departments organized various workshops, seminars and industrial visits to provide a better practical understanding of the subjects undertaken by the students. The University encouraged the institutes to educate and celebrate the events like "Tree plantation drive", "Jeevan Darshan of Dr.A.P.J.Abdul Kalam", "Swachhta Pakhwada", and "Sanvidhaan Diwas", which our Institute celebrated with full of zeal and enthusiasm.

The festival of lights was celebrated in a grand way in the Institute. As per the Institute's tradition, "Roshni" – an event organized by GNIOT Cares, where clothes and gifts are distributed among the fourth class employees, was held. The management and the faculty celebrated "Deepotsav 2016" where a number of games were played and later everyone enjoyed a lavish lunch.

This semester too the faculty of the Institute ensured that the Institute's flag continued to soar high in academic arena. A number of papers were published in Scopus Index journals. And also a number of prestigious awards were bestowed on our faculty in various events.

The Training and Placement Cell were at their rigorous best and as a result a number of companies visited our Institute for placement drive and our students grabbed job positions some prestigious United Health Group, Just Dial, Genpact, to name a few. With more companies lined up in the coming days we are aiming for above 80% placement this academic year.

I wish you all a very best in all your endeavors!

Dr. Rohit Garg
(Editor-in-Chief)

Tribute to our Founder Chairman

LATE SHRI KRISHAN LAL GUPTA
18/02/1961 – 02/01/2017

It is with great sadness that we inform the sudden demise of our founder, Shri Krishan Lal Gupta Ji, Chairman, GNIOT Group of Institutions on January 2, 2017.

According to a Chinese proverb, "If you are planning for a year, sow rice; if you are planning for a decade, plant trees; if you are planning for the lifetime, educate people". This sums up the entire philosophy of the time and life of Shri K.L.Gupta Ji, a visionary and inspiration to many. With his sheer hard work and lifelong dedication, he built up the entire GNIOT Group of Institutions – a name that is taken with reverence and admiration.

Shri K.L.Gupta Ji was born on 18 th February 1961 in Village Karsindhu, District Jind, Haryana, to father Late ShriRamchander Bansal Ji and mother Late Shrimati Bhanpati Devi Ji.. He lost his parents at a very young age and then he along with his younger brother Shri Bishan Lal Gupta Ji and five sisters moved on with their lives with courage and confidence. In 1978 he got married to Shrimati Kamla Devi Ji and had two sons, Shri Rajesh Gupta Ji and Shri Gaurav Gupta Ji.

With his far-sightedness, devotion, and his zeal to do work which touches more than one lives, in the year 2000, Shri Ram Educational Trust was established. He realized to put our country forward, we must make our youth technically sound. Engineering is one domain where the youth can take constructive steps in order to strive for a more capable and advanced nation. Opening up an engineering college and providing the students and even the teaching fraternity with opportunities that would help them to strive for the best and achieve the same too, was his only dream. It was this drive and passion that inspired him to found and run the GNIOT Group of Institutions for over a decade.

"Mann ke jeete, jeete; mann ke haare, haare", a philosophy that he lived by, thereby inculcating in everyone around him to never give up on their dreams and aspirations. You are a winner till in your mind you are one, and no matter how the circumstances are, you will eventually come out a success.

Though he is not with us today, he is and will always be the guiding star in all our progressions.

We will miss him dearly.

- Udgam Team

Sweet memories of our beloved Founder Chairman Sir

WHAT EDUCATION MEAN TO US

The dictionary states that "Education is the act or process of imparting or acquiring general knowledge, developing the powers of reasoning and judgment and generally of preparing oneself or others intellectually for mature life". This education can be a formal one for which we go to schools and colleges, study, learn rules and apply them on given set of problems, appear for exams and get certificates. This formal education too has many dimensions associated with it as the learning is not limited to classroom teaching, but also the experiences that we share with our friends, classmates, peers and teachers who inspire us and not to forget the lessons that we learn from our own mistakes. This education is what is known as informal education. So broadly we can define education as an enlightening experience.

A true education is the one which can lay the path, set the course, and assist the humankind to make the world an even better place. Education is not just informative, but also includes ethical, behavioral and social aspects. Education combines historical, monumental and scientific events and thus guides us to take decisions for our day-to-day events. And as we go on, we expand our boundaries and are surprised by what we have learnt so far. For instance, the reaction that we would have given to a particular incident, let's say, a few years ago, would have been very different we would arrive at now. The difference – education.

Throughout our lives, we face questions like "what is right", "what is wrong", "what is true", "what is false", "what is good", "what is bad", "what is great" and "what is ordinary" But as we climb the ladder of education, we have been able to make more decisive choices. The knowledge that are passed on to us over the generations along with the bits and pieces that we collect in our lifetime guide us in this direction.

There is another positive trait that education bestows upon us and that is good understanding. This understanding makes us more patient and we relate to the chain of events leading to a particular event. But education also entrust a sense of responsibility on us i.e. what to expect from ourselves and also from people around us and the society in general. We are supposed to conduct ourselves in a way that reflects the learning that we have culled. For instance, our adherence to traffic rules. If the traffic police is not in sight and we defy the rules, it clearly indicates our ability to for go something which we have learnt well. similarly, jumping the line to enter a lift too speaks for our education.

Education also teaches us the way in which we behave with our surroundings and that goes for living and non-living. The people around us, and if I may classify them based on their job profiles, then how do we behave with a person who is working at a position far below than ours. The way we treat animals, public properties and even plants should definitely reflect the education that we had.

Education is a journey we all have to take. We cannot simply go through life and learn nothing, for even to have made this realization that we know nothing, we have actually realized that there is so much to learn. To conclude, I simply say that life and education is a journey and the day we stop learning is the day we stop living!

Ms. Himdweep Khurana
Assistant Professor, CSE

FROM EDITOR'S DESK

POWER OF A POSITIVE MIND...

Before talking about positive thoughts let us first understand the relationship between the way we think and our mind. It is believed that we see this world through our mind. If our mind is peaceful, we see the good things in the entire world; enjoy the beauty of nature, and love having being born to appreciate life. But if our mind remains in a disturbed and agitated state, we may even fail to spot the simple magnificence of a flower and shall never cherish the joys of nature.

In order to attain a peaceful state of mind, the most important thing is to be satisfied with what we have at present and to make harmonious relations with the people all around us. Try to be calm and do not retaliate to something that is not pleasant to hear. Make people realize their mistakes by passive rather than active retaliatory ways. In all cases, we should never lose the inner peace of mind.

Our state of mind should bear a resemblance to a vast ocean. As the different rivers enter the ocean; which though full on all sides remain undisturbed, similarly a person should not be disturbed by incessant flow of desires and only then can achieve inner peace.

Do not keep your thoughts in control, but also do not let them command your mind. Because it is the way you respond to those thoughts that can either make you strongly mental or mentally strong. Positive thinking makes us more creative and has the power to change our way of living in miraculous ways. Fact is that the thought is like a boomerang in some mysterious ways as it goes around and comes around. Negative thoughts and tensions resemble birds, we cannot stop them from flying near us but, we certainly can stop them from making a nest in our mind.

Even the almighty says, "I treat my devotees as how they think of me". So, those who come with positive energy and with great hope to door of mercy of the almighty creator shall never return disappointed and empty handed. Our mind is a garden, our thoughts are seeds, and so it is up to us to either grow flowers or weeds.

Think positive, think different. There is something beautiful in life; we just have to find it. Be positive and it will find you....

***POSITIVE THOUGHT
POSITIVE MIND
BEAUTIFUL LIFE.***

Assistant Professor, EE

EVENT TIMELINE

4th July 2016 - Tree Plantation Drive

VICE-CHAIRMAN, SHRI B.L. GUPTA JI, DIRECTORS,
FACULTY & STAFF DURING TREE PLANTATION

VICE-CHAIRMAN, SHRI B.L. GUPTA JI, DIRECTORS,
FACULTY & STAFF TAKING OATH

The Oath Taking ceremony and Tree plantation programme, on the call of the Government of Uttar Pradesh and Dr. A.P.J. Abdul Kalam Technical University, was organized under the programme "Green-Clean-Polythene free UP" at the Institute. On this occasion, Vice-Chairman, Shri B.L.Gupta Ji, Director-Engineering, Director-MBA, Dr. Kalpana Singh, Faculty Coordinator (GNIOT CARES), all HOD's, faculties, staff members, students and fourth class employees took the oath to make "Green-Clean-Polythene free UP." Director Dr. Rohit Garg addressed the gathering and urged them to make Mother Earth a greener and safer planet to live.

22nd July 2016 - FDP on Human Values & Professional Ethics

KEY SPEAKERS OF FDP

CHAIRMAN, SHRI K.L.GUPTA JI
DIRECTORS & FACULTY ATTENDING THE FDP

The Department of MBA conducted a Faculty Development Program on Human Values & Professional Ethics. The Program was attended by Chairman, Shri K.L.Gupta Ji, Director-Engineering, Director-MBA, Dean, HOD's and Faculty Members. The Resource Persons of FDP were Dr. Ruchi Tripathi, Mrs. Bhawana Sharma and Ms. Jyotsana Bharadwaj. The FDP was started with discussion on how inhuman behavior of human being is increasing day by day when we are at the stage of 75% or above literacy rate. We should know what is naturally acceptable to us because each and every individual wants to be happy and every human being should be aware about his or her deed. All human beings should know how to maintain harmony at all levels i.e. at the level of Individual, Family, Society and Nature/Existence. Dr. Rohit Garg proposed a vote of thanks to all the participants for their inputs and experience while talking about value education at the end of the program.

27th July 2016 - Seminar on "Jeevan Darshan of Dr. A.PJ Abdul Kalam"

CHAIRMAN, SHRI K.L.GUPTA JI ALONG WITH DIRECTORS
PAYING TRIBUTE TO DR. A.P.J. ABDUL KALAM

CHAIRMAN, SHRI K.L. GUPTA JI DIRECTORS,
HODs & FACULTY MEMBERS AT THE SEMINAR

The Department of CSE, IT & MCA organized a Seminar in the memory of Bharat Ratan Dr. Avul Pakir Jainulabdeen Abdul-Kalam, our former president and the 'MISSILE MAN OF INDIA'. The seminar was attended by Chairman Shri K.L. Gupta Ji, Director-Engineering, Director-MBA, Dean, HODs and faculty members. The program started by floral tribute to the Former President by Chairman, Shri K.L.Gupta Ji, Directors, and HODs, then Ms. Himangi, Final Year IT student, enlightened his life's journey through a presentation on his achievements and his contribution for the country. Director Dr. Rohit Garg in his speech gave tribute to the eminent scientist. He said that Dr. A.P.J. Abdul Kalam will not only be remembered for the immeasurably remarkable achievements and marks he left behind, but surely as a Great Human, for his determined character, for his love, for his patriotism, for he could ignite our minds.

12th August 2016 – Librarian's Day

The GNIOT Library Staff celebrated the 125th Birth Anniversary of Padma Shree Dr. S. R. Ranganathan, father of Library Science in India. Chairman Shri K.L.Gupta Ji along with Director-Engineering, Director-MBA, Librarian Dr. Ruchi Jain and the whole staff of Shri Ram Central Library, lighted the lamp and celebrated the event with cake-cutting ceremony.

CHAIRMAN, SHRI K.L. GUPTA JI ALONG WITH DIRECTORS & LIBRARY STAFF

13th August 2016 – Deep Shrinkhla

DR KALPANA SINGH, FACULTY INCHARGE, GNIOT CARES , ADMISSION HEAD & OTHER FACULTY MEMBERS ALONG WITH STUDENTS WITH TRICOLOUR RANGOLI

GNIOT Cares organized an event, "Deep-Shrinkhla", which literally means "Queue of Lamps" on Aug 13, 2016. The main objective of this event was to remember the sacrifices of our freedom fighters who laid down their lives for country's independence. The GNIOT Care faculty coordinator, Dr. Kalpana Singh and the students of the club ignited candles in the college campus in the memory of our freedom fighters. Also a rangoli of India's tricolored flag representing 70th year of Independence was made to honor the memory of our great freedom fighters.

14th August 2016 - Independence Day Celebration "Yaad Karo Kurbani"

CHAIRMAN SHRI K.L.GUPTA JI ALONG WITH FACULTY STANDING FOR THE NATIONAL ANTHEM

MANAGEMENT, DIRECTORS & HODS AT THE CELEBRATION

FACULTY ALONG WITH STUDENTS AT THE CELEBRATION

The Institute celebrated "Yaad Karo Kurbani" on the eve of Independence Day. It was the moment when all the faculty and students paid mark of respect together by thanking and remembering our great freedom fighters who strived to give us our independence. Chairman, Shri K.L.Gupta Ji, Vice-Chairman, Shri B.L.Gupta Ji, Member-Management, Shri J.S. Rawal Ji, Director-Engineering, Director-MBA, Director-GNCT, Deans, HODs, faculty members and students stood together for the National Anthem. Faculty performed a chorus singing of patriotic songs.

15th August 2016 – "Independence Day" Celebrations

HOISTING OF NATIONAL FLAG BY MR. ASIF KHAN

TREE PLANTATION BY FACULTY MEMBERS

The Institute celebrated the 69th Independence Day in a grand way. Mr. Asif Khan, Associate Professor, Department of IT, hoisted the National Flag. The faculty members along with staff and students sang the National Anthem. Tree plantation drive was also carried out to mark the occasion.

22nd August 2016 - Orientation Programme (MBA & PGDM Batch 2016-18)

MR. GAURAV GUPTA, MEMBER MANAGEMENT,
DIRECTOR – MBA, MR. MUNESH KUMAR, CHIEF GUEST,
ALONG WITH MBA FACULTY MEMBERS

CHAIRMAN, SHRI K.L.GUPTA JI, DIRECTORS,
HODs, FACULTY & STUDENTS AT THE ORIENTATION

The GNIOT MBA Institute organized the Orientation Programme for the newly admitted students of MBA & PGDM. Chairman, Shri K.L.Gupta Ji inaugurated the programme by lighting the lamp of knowledge & wisdom. The chief guest Mr. Munesh Kumar, Commissioner, Income Tax guided the students by his valuable words. He said nothing comes easy in life but nothing is impossible. Director, Dr. Savita Mohan, said that every student should prepare themselves for the dynamic corporate world by igniting a spark within them.

25th August 2016 – Delhi Darshan

The GNIOT MBA Institute organized a short trip of Delhi Darshan for the students of MBA, PGDM & MAM along with the faculty members. They visited India Gate, Lal Quila, Humayun's Tomb and other historical monuments. The trip was planned keeping in view that the Institute has students from different parts of the country so it will be a good experience for them to get acquainted with the culture and heritage of the country's capital.

MBA FACULTY & STUDENTS AT INDIA GATE

5th September 2016 – Teachers' Day Celebration

DIRECTOR-MBA ALONG WITH HOD-MBA
PRESENTING A TOKEN TO VICE-CHAIRMAN,
SHRI B.L.GUPTA JI ON TEACHERS' DAY

CAKE CUTTING BY VICE-
CHAIRMAN, SHRI B.L.GUPTA
JI AND DIRECTOR-MBA

VICE-CHAIRMAN, SHRI B.L.GUPTA JI,
DIRECTORS, HODs & FACULTY MEMBERS AT
THE CELEBRATION

The students of GNIOT MBA Institute celebrated Teacher's Day by performing many cultural activities and games. The students were blessed by Honorable Vice Chairman, Shri K.L.Gupta Ji and Director- MBA. On this occasion Vice Chairman, Shri K.L. Gupta Ji said that Teachers' Day is celebrated to pay tribute to Dr. Sarvapalli Radhakrishnan, the first Vice President of the Nation. Highlighting his achievements, Dr. Savita Mohan said that he was a true role model and India's most influential scholar. Teachers should follow his path and be a guiding light to students.

9th September 2016 – Swachhta Pakhwada

DIRECTOR-ENGINEERING, DR. SHALINI, GUEST SPEAKER AND
DR.KALPANA SINGH, FACULTY-INCHARGE, GNIOT CARES

DR. SHALANI, ASSOCIATE PROFESSOR, SHARDA
HOSPITAL, DELIVERING THE LECTURE

GNIOT Cares on behalf of the institute organized a workshop on "Importance of cleanliness and sanitation" in connection with observation of Swachhta Pakhwada drive during the period of 1st to 15th September 2016 as per the direction of Ministry of Drinking Water and Sanitation and AICTE. Chairman, Shri K.L.Gupta Ji along with Director-Engineering, Director-MBA, Director-G.N.C.T, and faculty coordinator GNIOT Cares, Dr. Kalpana Singh, actively participated in this workshop. Dr. Shalani, Associate Professor, MBBS-MD in Community Medicine Department from Sharda Hospital was present as a guest speaker to educate the people about hygiene and sanitation and delivered an interactive lecture about communicable & noncommunicable diseases. Before the conclusion of the event, the student members of GNIOT Cares presented a beautiful skit and song. The workshop was ended with poster-making and essay-writing competition.

15th September 2016 - Inauguration of Inking's quarterly magazine "HASHTAG"

The Literary Wing, Inking of GNIOT Tech Club had the inauguration ceremony of its new Quarterly magazine-HASHTAG. Chief Club Patron, Shri B.L.Gupta Ji, Club Patron Dr. Rohit Garg, Club In-charge Dr. Rajdev Tiwari, Dean-First Year and all the H.O.D. of respective branches gathered for the inauguration ceremony. The event was more of a celebration since it was Engineer's Day and also the foundation day of GNIOT Tech Club. The event witnessed the Chief Coordinators of GNIOT Tech Club Mukul Gupta, Anshu Singh and Akansha Tripathi presenting the magazine to the delegates. The magazine got good responses and reviews.

INAUGURATION OF INKLING'S QUARTERLY MAGAZINE "HASHTAG"

17th September 2016 – Vishwakarma Pooja

VICE-CHAIRMAN SHRI B.L. GUPTA JI DIRECTOR-ENGG. INST. ALONG WITH HODS & FACULTY PARTICIPATING IN VISHWAKARMA POOJA

FACULTY MEMBERS & STUDENTS PAYING RESPECT

The Department of Mechanical Engineering celebrated Vishwakarma Jayanti, dedicating the day to the Lord Vishwakarma, the divine architect and engineer. The department organized Vishwakarma Pooja which was attended by Vice-Chairman, Shri B.L.Gupta Ji, Director-Engineering, HODs, faculty members and students of Department of Mechanical Engineering. The priest of the college conducted the pooja. The positive vibes of the pooja were very motivating for everyone. The event was summed up with distribution of parshad to all students and staff members.

22nd – 24th September 2016 – Entrepreneurship Awareness Camp (EAC)

INAUGURATION CEREMONY OF THE CAMP BY MR.MAHENDRA GUPTA, LEAD DISTRICT MANAGER, SYNDICATE BANK

DIRECTOR-ENGINEERING ALONG WITH DEAN-CS/IT/MCA WELCOMING MR. MAHENDRA GUPTA

DEAN-CS/IT/MCA ALONG WITH FACULTY MEMBERS & STUDENT MEMBERS OF TECHNICAL CLUB

The Department of Computer Science & Engineering conducted a three day Entrepreneurship Awareness Camp from 22-24th Sep 2016. The programme was organized by National Science & Technology Entrepreneurship Development Board, Department of Science Technology, Government of India, New Delhi in collaboration with ABES-EC Ghaziabad. Inaugural Ceremony commenced with lighting of the lamp by the dignitaries-Mr. A.K. Singh, Mr. Mahendra Gupta, Dr. Rohit Garg, Dr. Savita Mohan and Dr. Rajdev Tiwari. 74 students were registered for the Entrepreneurship Awareness Camp. Dr. Rajdev Tiwari, Dean-CS,IT,MCA welcomed the chief guest and the speakers. Director-Engineering addressed the gathering and wished for the success of the workshop.

Mr. A.K.Singh and Mr. Mahendra Gupta, Lead District Manager, Syndicate Bank, were the featured speakers on the first day of the awareness camp inspiring budding entrepreneurs to find innovative ideas. Various activity based learning sessions were conducted by Mr. Mahendra Gupta to help students in exploring different aspects of an Entrepreneur. Another activity focused on generating ideas for start ups. Best ideas were rewarded with Prize Money.

On the last day of the event Mr. Sanjay Srivastava, Manager Accounts, National Small Industries Corporation, Govt. of India Enterprise, spoke about Loans for startups, Venture Capital, SIDBI's role in Venture Capital, Taxation Policies etc. Students were also presented with a certificate during the valedictory function.

25th October 2016 – Roshni

VICE-CHAIRMAN SHRI B.L.GUPTA JI ADDRESSING THE GATHERING

VICE-CHAIRMAN SHRI B.L.GUPTA JI ALONG WITH SHRI BAJRANG LAL GUPTA JI AND DIRECTOR-MBA DISTRIBUTING GIFTS TO CHILDREN

FACULTY AND STUDENTS DISTRIBUTING GIFTS TO FOURTH CLASS EMPLOYEES

GNIOT Cares organized "Roshni" this year as well. This year's theme was "Do something different by enlightening someone's life with education". Vice-Chairman. Shri B.L. Gupta Ji inaugurated the event by igniting the lamp. On this occasion, Member-Management, Shri Bajrang Lal Gupta Ji, Director-MBA, Dean-1 st year, HOD's, faculty coordinator GNIOT Cares, Dr. Kalpana Singh, faculty members along with members of GNIOT Cares, fourth class employees, laborers and their kids were present at the event. Vice-Chairman, Shri B.L.Gupta Ji addressed the gathering and encouraged to "make this Diwali special, not only for ourselves but for the thousand others who need us". The program ended with distribution of gifts, clothes, sweets, candles and toffees to underprivileged kids, workers and fourth class employees.

26th November 2016 – Sanvidhaan Divas

DIRECTOR-MBA, DIRECTOR-GNCT & DEAN-CSE/IT/MCA PAYING TRIBUTE TO DR. B.R.AMBEDKAR

MR. PANKAJ KUMAR SAXENA, FACULTY-MBA INSTT. GIVING SPEECH ON THE OCCASION

The Institute celebrated the Sanvidhaan Divas (Constitution Day) in a phenomenal manner. The event started off by paying tribute to Bharat Ratna, Dr. Bhimrao Ramji Ambedkar, principal architect of the Constitution of India, followed by the exquisite speech by Dean-CSE/IT/MCA and HOD-Civil. This was followed by a very promising speech given by Mr. Pankaj Kumar Saxena, Assistant Prof, MBA Institute,. It was attended by more than 100 students and faculty members. The event was co-ordinated by GNIOT Technical Club.

25th December 2016 – Christmas Celebrations

The students of Cultural Club of the Institute celebrated the festivals of giving i.e. Christmas with a lot of enthusiasm. The students decorated the Christmas tree with tinsel, ornaments and lights. In the spirit of Christmas, the students also distributed sweets to children of laborers working on campus.

CHRISTMAS CELEBRATION

30th December 2016 – Cricket Match

VICE-CHAIRMAN, SHRI B.L.GUPTA JI TOSSING THE COIN AS BOTH TEAMS LOOK ON

On the eve of New Year's, a cricket match was played between the teaching (Team-A) and non-teaching (Team-B) members of the Institute. The Team-A's captain was Dr. Rohit Garg, Director-Engg Inst. and the Team-B's captain was Mr. Anil Madwal, Registrar. Vice-Chairman Sir tossed the coin and Team-A won the toss and decided to bat first. It was a 15-over match. Team-B won the match by 4 wickets. The Man of the Match title was given to Dr. Rohit Garg for securing 54 runs and outstanding fielding.

FRESHERS EVENT

AAGHAAZ-2016 - Fresher's Event at GNIOT Engineering Institute

B.Tech second year students organized a grand Freshers Party "AAGHAAZ, 2016", along with the GNIOT Cultural Club to welcome the newly inducted students. Director-Engineering, welcomed the Chief Guest Mr S.M.H. Siddiqui along with other faculty members and staff. The programme was inaugurated by lighting of the lamp by the Chief Guest, Mr S.M.H. Siddiqui, Chairman, Shri K.L. Gupta Ji, Vice Chairman Shri B.L. Gupta Ji and other dignitaries. Mr. S.M.H. Siddiqui also addressed the students and shared his college life experiences with them and to add more to it, sang a melodious song, which left the audience spell bound. Vice Chairman, Shri B.L. Gupta Ji appreciated the efforts of the organizers and welcomed the Freshers. Director-Engineering introduced the Department Heads and other authorities to the Freshers and wished them for a bright future ahead. A mega cultural event including a variety of cultural programmes was performed. Mr Aaqib Umer (Branch –CE) and Ms. Pooja (Branch –CSE) was selected as Mr. and Ms. Freshers-2016.

ABHINANDAN-2016 - Freshers Party at GNIOT MBA Institute

The freshers party ABHINANDAN-2016 was organized by the senior students of MBA, PGDM & MAM for the new Batch of MBA & PGDM on 23rd September 2016. The juniors and seniors both participated in various cultural performances like solo dance, group dance, and singing. The students also staged a play. The attraction of the event was the fashion show in which fresher participated actively. Mr. Aminullah & Ms. Bindiya Mittal were declared Mr. Fresher & Ms. Fresher (MBA). Mr. Shivam Arora and Ms. Srishty Kumari were chosen as Mr. Fresher & Ms. Fresher (PGDM).

"DEEPOTSAV - 2016" CELEBRATION

On the eve of Diwali, Deepotsav-2016 was celebrated on 27th October at GNIOT campus with pomp and grandeur. The celebration was started by lighting of lamp by Honorable Chairman Shri K.L.Gupta Ji. On this occasion, Honorable Vice Chairman, Shri B.L.Gupta Ji gave warm wishes to all members of the GNIOT Family. Various games like lemon race, musical chair, and tambola were the attraction of the event. Cultural dances were also performed by the students. Director-Engineering, Director-MBA, Director-GNCT, all HODs, faculty and staff members had a good time in all the games and activities. Later everyone enjoyed a lavish lunch.

ACADEMIC-INDUSTRY INTERACTION

30th August 2016 – Training Session on Arduino Boards

RESOURCE PERSON INTERACTING DURING THE TRAINING SESSION

The Department of Electrical Engineering organized a training session on Arduino boards for the 4th year students (2016-17 batch). Head of the Department along with faculty members also attended the training event. Arduino is an open-source electronics platform based on easy-to-use hardware and software. Arduino boards are able to read inputs-light on a sensor, a finger on a button, or a Twitter message-and turn it into an output - activating a motor, turning on a LED, publishing something online.

30th August 2016 – Seminar on Finite Element Analysis (FEA)

SPEAKER DURING THE SEMINAR

FINAL YEAR STUDENTS ATTENDING THE SEMINAR

The Department of Mechanical Engineering organized a Seminar on FEA i.e. Finite Element Analysis. Out of the various modules of computer aided engineering, there is one named Finite Element Analysis in which design analysis of various engineering components is done with the help of a computer. A team of experts was invited from Le Logics, a well-established company dealing with educating students about various industrial application softwares, to conduct a seminar on FEA for B.Tech Mechanical Engineering and Automobile Engineering final year students.

9th September 2016 – Industrial Visit – Siemens

EE 4TH YEAR STUDENTS

STUDENTS VISITING SIEMENS

The Department of Electrical Engineering organized an industrial trip to Siemens Pvt. Ltd. authorized by Automation Engineers AB Pvt. Ltd. for the 4th year students (Batch 2016-17). The students were provided with detailed knowledge of industrial automation, PLC Drives, switchgears and control automation panels.

9th - 10th September 2016 – Django – Workshop on Python

The GNIOT Technical Club organized a two-day workshop on Python, "Django". On the first day, experts Mr. Shashank Aryan and Mr. Shashank Kumar conducted a hands-on session with python. They taught the students the ABC of python and showed them how to use Linux shell efficiently. On the second day, a second set of experts, Mr. Aniket Mithani and Mr. Pulkit Pahwa, informed the participants about bridging the relation between programming and real world. They had a question-answer session that cleared the participants of all their doubts.

MR. ASHWINI VERMA WELCOMING THE EXPERTS

18th September, 2016 – Visit to Book Fair

FACULTY AND STUDENTS AT THE BOOK FAIR-2016

The GNIOT MBA Institute organized a visit to the Noida-Greater Noida Book Fair-2016 organized at IEML, Greater Noida. The book fair housed a huge number of books both from national and international authors on several genres including science fiction, satire, drama, action and adventure, romance, mystery, horror, self help, etc. The students and faculty members had a great time at the fair. Books are our best friends and book fairs play a great role in encouraging the reading habit among people of all age groups.

20th September 2016 – Seminar by IES Master

The Department of Mechanical Engineering organized a seminar on importance of IES, GATE, PSU, Government Jobs, etc. for the final year students. The seminar was conducted by IES Master, a company providing training for the above mentioned sectors. In this two hour session, the students were guided on how they can prepare for these sectors. They were given helpful tips on time management and the subjects they can choose for better results. The students were motivated enough to pursue the same.

SEMINAR BY IES MASTER

22nd September 2016 - Seminar on Optical Fiber Communication

EXPERT DEMONSTRATING THE WORKING OF OPTICAL FIBER KIT

The Department of Electronics & Communication Engineering conducted a seminar which was organized by Advanced Tech India Pvt. Ltd. on Optical Fiber Communication. This program was organized for final year students. OFC is the advance version in the field of communication. The company provide training to help students learn how to operate these kits for communication.

23rd September 2016 – Workshop on MATLAB

The Department of Electronics & Communication Engineering organized a workshop on MATLAB conducted by Cromia Campus Pvt. Ltd. for second year students of the department. Students were given basic introduction of MATLAB. They were introduced to the user interface and how they can write code and add database in order to run experiments. The said company offered students a training program too.

WORKSHOP ON MATLAB

23rd September 2016 – Industrial Visit to Acheron Technologies

STUDENTS AT ACHERON TECHNOLOGIES

The Department of Computer Science & Engineering organized an industrial visit to Acheron Technologies in Gurgaon for final year students. A group of 40 students went for the visit. The company has a vision to work for goal-oriented architecture to enable their customers in achieving their goals. The students got to see the working of an IT company and how client-end operations are to be carried out.

7th October 2016 – Industrial Visit to EHT

STUDENTS AT EXEL HI TECH PVT. LTD.

CASTING PROCESS BEING CARRIED ON IN THE PLANT

The Department of Mechanical Engineering organized an industrial visit to Exel Hi Tech Pvt. Ltd., a manufacturing company located in Ghaziabad. It is a manufacturer of Nickel and Cobalt base alloy castings. Before going into the plant, the supervisor gave a brief introduction about the plant and safety measures to be observed while in the plant. The plant has established a set up for the manufacturing of pump body and components like impeller, suction head, back head etc., all of which were manufactured by casting process. The students closely observed the manufacturing of these components by the manufacturing process. Silica sand along with some additives is used to create the mould where as nickel and cobalt are used for casting. Based upon the processes, the workshop section is divided into core section, mould section and pouring section where the respective processes are carried out.

14th October 2016 – Visit to Priya Gold

The GNIOT MBA Institute organized an industrial visit to Surya Food & Agro Ltd. (PriyaGold) Greater Noida for MBA & PGDM First Year students. Dr. Avijeet Dey and Prof. Pankaj Kumar were the faculty co-ordinators of the visit. The visit was organized with the objective to enhance the practical knowledge of the students and to let them have an overview of the activities carried out in a manufacturing process for understanding the supply chain system.

STUDENTS TO PRIYA GOLD

15th October 2016 - Visit to Anmol Bakers

STUDENTS READY FOR THE VISIT TO ANMOL BAKERS

The GNIOT MBA Institute organized an industrial visit to Anmol Bakers Pvt Ltd located at Ecotech II UdyogVihar for the students of MBA, MAM and PGDM. Prof. Pankaj Kumar, Ms. Deepshikha Sharma & Ms. Neha Agarwal were the faculty co-ordinators for this visit. The visit was organized with the objective to enhance the practical stimulation of the students and to give them a better understanding of this industry.

15th October 2016 – Seminar on Electrical Safety Management

The Department of Electrical Engineering organized a seminar on Electrical Safety Management for the 3rd year students (2016-17 batch). The students were provided with detailed knowledge of Electrical Safety Management. This deals with various laws and measurements that are kept in mind before designing the electrical layout of any room or building. It ensures that all preventive measures have been followed in order to ensure a safe environment.

GUEST SPEAKER AT THE SEMINAR

17th October 2016 – Industrial Visit to Automation Engineers AB Pvt. Ltd.

STUDENTS UNDERSTANDING THE WORKING OF PLC PANNEL

STUDENTS ATTENDING THE PRESENTATION

The Department of Electronics & Communication Engineering organized an industrial visit to Automation Engineers AB Pvt. Ltd. It is real time automation (PLC, SCADA) of real-time exposure about PLC Pannel and Industrial Projects. The company is also worked in training and placement area where the students can shape their future by attending this training session. Overall Automation engineers AB Pvt. Ltd. is a good organization for the development of fresher's students.

18th October 2016 – Seminar on “Make in India”

DIRECTOR-MBA ALONG WITH FACULTY & STUDENTS

DIRECTOR-MBA HOD-MBA INST. ALONG WITH FACULTY AT THE SEMINAR ON “MAKE IN INDIA”

The GNIOT MBA Institute and the Department of Mechanical Engineering sent a team of future managers and manufacturers to attend the seminar on “Make in India” organized by the business news channel ET Now. Director - MBA. along with HOD-MBA Inst., Mr. Pankaj Kumar, Mr. Alok Mohan and a team of 35 students went to attend the seminar at Taj Palace, New Delhi. It was a full day seminar and was divided into two sessions, pre lunch and post lunch. The team was warmly welcomed by the volunteers and lunch was provided by the organizers. Prominent speakers like Mr. Amitabh Kant, CEO-Niti Aayog and Anand Mahindra, Chairman-Mahindra Group were the attraction of the event. It turned out to be a very knowledgeable and motivational session for the students and also pumped up pride and patriotism in the students.

22nd October 2016 – Visit to Indian Handicraft and Gift Fair(2016)

The GNIOT MBA Institute organized a visit to the Indian Handicraft and Gift Fair-2016 at Expo Mart, Greater Noida for the students and faculty members. The students interacted with the exhibitors and gained knowledge about the different traditional handicrafts of India.

STUDENTS AT HANDICRAFT FAIR-2016

9th November 2016 – Industrial Visit to NSIC

STUDENTS AT NSIC

MACHINES TO SET UP SMALL-SCALE BUSINESSES

The Department of Mechanical Engineering organized an industrial visit to National Small Scale Industrial Corporation (NSIC), Okhla, Phase-III, New Delhi for the third year students. NSIC is a semi-government navratna organization. The students were given a brief idea on how to start and own a business on small scale and how NSIC helps in setup of own business and loan approvals. NSIC also provides training programs to improve the skill of the students and company's unskilled workers to improve the practical knowledge. Students also visited different types of machines like bottles manufacturing machine, packing machine, biscuit manufacturing machine, etc., for small scale industrial or business purpose.

12th November 2016 – Industrial Visit to SOFCON

FACULTY & STUDENTS ALL SET FOR THE VISIT

The Department of Mechanical Engineering organized an industrial visit to the Sofcon India Pvt. Ltd., Noida. A group of 46 students were accompanied by two faculties of the department, Mr. Ashutosh and Mr. Ashish Rohilla. The company has established Center of Excellence with a clear focus to enhancing quality by rolling and out best practices like lecture delivery programs (LDP), personality development programs (PDP) in all training courses. SOFCON is professionally run by technocrats having decades of experience in training / process / manufacturing industries. Their rich experience of over two decades in providing automation solutions to Indian & overseas industries has made them a leading training service

provider. In the pre-lunch session the group was given a lecture on Heat Ventilation and Air Conditioning (HVAC) and Hydraulics. The post lunch session consisted of practical demonstration of the hydraulic system. Students were divided into groups of ten for the same. This visit provided the students a brief knowledge of HVAC along with what to expect in a job in this field.

16th December 2016 – Smart India Hackthon 2017

The students of GNIOT MBA Institute along with the Director-MBA and faculty members attended the Hackathon 2017 Leadership Talk Series addressed by Chairman, AICTE, Dr. Anil D Sahastrabudhe at AICTE Headquarters, New Delhi. The event was telecasted live via Facebook live connecting students and faculty members of AICTE approved colleges all over India. Dr. Abhay Jere, Organizing Secretary, Smart India Hackathon 2017 also addressed the gathering.

DR. SAVITA MOHAN ALONG WITH FACULTY MEMBERS & STUDENTS WITH PROF. ANIL D. SAHASRABUDHE, CHAIRMAN, AICTE

AWARDS AND ACHIEVEMENTS

PROF. (DR.) SAVITA MOHAN RECEIVING THE AWARD FROM SHRI N.P.SINGH, DISTRICT MAGISTRATE, G.B. NAGAR

Prof. (Dr.) Savita Mohan, Director, GNIOT MBA Institute honored by Shri N.P. Singh, District Magistrate, Gautam Buddh Nagar

Prof. (Dr.) Savita Mohan, Director, GNIOT MBA Institute, was honored by Shri N.P. Singh, District Magistrate, Gautam Buddh Nagar, on the eve of Teachers Day i.e. 4th September 2016, for her great contribution and excellence in the field of higher professional education for over 18 years.

Prof. (Dr.) Savita Mohan, Director, GNIOT MBA Institute awarded with Rashtriya Shiksha Gaurav Puraskar-2016

PROF. (DR.) SAVITA MOHAN RECEIVING THE AWARD

PROF. (DR.) SAVITA MOHAN WITH PROF. ANIL D. SAHASRABUDHE, CHAIRMAN, AICTE

Prof. (Dr.) Savita Mohan, Director, GNIOT MBA Institute, received Rashtriya Shiksha Gaurav Puraskar-2016 by Dr. Manpreet Singh Manna, Director, AICTE and Prof. A.P Mittal, Member Secretary, AICTE on 21st September 2016 at India International Center, New Delhi for her contribution in higher education by the Center for Education, Growth & Research.

PROF. (DR.) SAVITA MOHAN RECEIVING THE AWARD

Prof. (Dr.) Savita Mohan felicitated in an Event "Ek Shaam Pari Chowk Ke Naam"

On 25th September, Prof. (Dr.) Savita Mohan, Director, GNIOT MBA Institute gained another feather to the GNIOT Group when she was felicitated by the noted web news portal parichowk.com at their anniversary function "Ek Shaam Pari Chowk Ke Naam", on 25th September 2016 for her contribution and achievements in the field of education.

DR. ROHIT GARG RECEIVING THE AWARD FROM UNION MINISTER DR. MAHESH SHARMA

Dr. Rohit Garg, Director, GNIOT Engineering Institute honored by Dr. Mahesh Sharma, Union Minister

Rashtriya Shikshak Mahasangh, Uttar Pradesh honored Dr. Rohit Garg, Director, GNIOT Engineering Institute with an award for his excellence in education and teaching-learning methodologies. The award was conferred by Dr. Mahesh Sharma, Union Minister of State for Tourism & Culture (Independent Charge), Government of India, at a function organized by ITS Engineering College, Ghaziabad on 1st October 2016.

Dr. B.S. Chauhan, Dean-First Year, GNIOT Engineering Institute honored by Dr. Mahesh Sharma, Union Minister

Rashtriya Shikshak Mahasangh, Uttar Pradesh honored Dr. B.S. Chauhan, Dean-First Year, GNIOT Engineering Institute with an award for his excellence in education and teaching-learning methodologies. The award was conferred by Dr. Mahesh Sharma, Union Minister of State for Tourism & Culture (Independent Charge), Government of India, at a function organized by ITS Engineering College, Ghaziabad on 1st October 2016.

DR. B.S. CHAUHAN RECEIVING THE AWARD FROM DR. MAHESH SHARMA

DR. DEEPTI BHARTI WITH HER AWARD

Dr. Deepti Bharti received "Young Scientist Associate Award-2016"

Society for Recent Development in Agriculture Conferred "Young Scientist Associate Award-2016" to Dr. Deepti Bharti, Assistant Professor, GNIOT, Gr. Noida (U.P.) for her Outstanding Contribution and Recognition in the field of Chemistry on the occasion of International Conference on Global Agriculture & Innovation Conference (GAIC- 2016), held during 27th - 29th November 2016 at Noida International University, Greater Noida (U.P.), India.

PHD AWARDED

Ruchi Jain has been awarded her Ph.D. in Library Science ("E-Publishing & Its Impact on Collection Development and Information Services in Central Libraries of University of Delhi, Delhi and Jawaharlal Nehru University, Delhi; A Comparative Study") from Dr. K. N. Modi University, Newai, Rajasthan, India.

FACULTY ACHIEVEMENTS

Dr. Ramveer Singh (IT) became a member of the International Scientific Committee for ICAC-2017: 19th International Conference on Applied Cryptography at Venice, Italy, proposed on 13-14 August 2017.

Dr. Ramveer Singh (IT) became a member of Reviewer Board of "Athens Journals"- Academic Journal by Athens Institute for Education and Research, Athens, Greece.

Ms. Himdweep Khurana (CSE) chaired sessions on "Computer Vision & Pattern Recognition (CVPR)", "Security" and "Large Databases", in 2nd International Conference on Contemporary Computing and Informatics (iC 3 I 2016) Technically Sponsored by IEEE UP Section held at Amity University, Noida, India during 14th -17th December, 2016.

Prof. (Dr.) Savita Mohan, Director-MBA Institute, addressed at the Second audience National Conference of Academic Leaders on "Collaboration: Bridging Employability Skills through Technology" organized by CEGR & English Edge jointly on 22nd December 2016.

Prof.(Dr.) Savita Mohan, Director-MBA Institute has been appointed as member of the Academic Advisory Council of Centre for Education Growth and Research (CEGR), an organization that provides a platform for the exchange of dialogue among educationists, media, policy makers and augments educational growth and research in the field of Higher Education.

JOURNAL PUBLICATIONS

Prof.(Dr.) Simmi Gurwara (AS), published a paper on "English sans Englishness for the non-English" in the International Journal of Communication-IJC, Vol.26, No.2, July-Dec 2016, ISSN: 0975-640X (Indexed in- The Academic Database Assessment Tool (ADAT), MLA International Bibliography, EBSCO host Database, Cabell Directory of Publishing Opportunities)

Dr. Rajdev Tiwari (CSE), et.al., published a chapter on "Mining Frequent Quality factors of Software System using Apriori Algorithm", in the proceedings of the International Conference on data Engineering and Communication Technology, Volume 469 of the series Advances in Intelligent Systems and Computing pp 481- 490, 25 th August 2016, Springer.

Mr. Ankit Gupta(EE), et.al., published a paper on "Detailed performance analysis of realistic solar photovoltaic systems at extensive climatic conditions", Energy (Elsevier), Vol. 116 (1), October 2016.

Mr. Ankit Gupta(EE), et.al., published a paper on "A comparative investigation of maximum power point tracking methods for solar PV system", Solar Energy (Elsevier), Vol. 136, October 2016.

Prof.(Dr.) Simmi Gurwara (AS), published creative writings on 'Togetherness', 'Lost Battle', 'Leafless Tree', 'My Old Friend' in Creative Writing And Criticism (An International Biannual Journal of English Studies), Vol. XIII, No.2, October 2016 [ISSN 0975-2390].

Mr. Mukesh Kumar Ojha (AS), published a paper on "Wearable System for Device Control using Bio-Electrical Signal", accepted by Indian Journal of Science and Technology, Vol 9(43), DOI 10.17485/ijst/2016/v9i43/104394, November 2016, ISSN (Print) : 0974-6846, ISSN (Online) : 0974-5645.

Prof.(Dr.) Simmi Gurwara (AS), published creative writings on 'My Love Emboldens me', 'Your Love is Mysterious', 'Love Knows no Boundary' and 'The Winter of Our Love is Here' in Episteme: an online interdisciplinary, multidisciplinary & multi-cultural journal of Bharat College of Arts and Commerce, Badlapur, MMR, India, Volume 5, Issue 3, December 2016 [ISSN -2278- 8794].

Prof.(Dr.) Simmi Gurwara (AS), published creative writings on 'Winter Wardrobe', 'You & Them', 'Charity', 'Life has a Splendid Touch' in Impressions: A Refereed Bi-Annual E-Journal of English Studies, Vol. XI, Issue II, December 2016 [ISSN 0974-892X].

Prof.(Dr.) Simmi Gurwara (AS), published creative writings entitled "Master Craftsman", "Imposters", "Lifey", and "Moment", in Setu: A Bilingual Journal of Literature, Arts, and Culture (Pittsburgh, USA), December 2016 [ISSN 2475-1359].

CONFERENCE PUBLICATIONS

Dr. Ruchi Jain (Library), presented a paper on "Balancing the Collection Development in Context with the Extended Span of E-Publishing: Few Glimpses from JNUCL and DUCL", at International Conference on Marching beyond the Libraries: The Role of Social Media and Networking, organized by KIIT University, Bhubaneswar, Odisha on 25th-26th November 2016.

Prof.(Dr.) Simmi Gurwara (AS), published paper on "Value-oriented Education: The Need of the Hour" in the souvenir of National Symposium on Spirituality in Education held on November 27, 2016.

Ms. Swati Saxena (AS), presented a paper on "Anti-Microbial Effect Of Truncated Indolicidin" at International Conference on Global Agricultural & Innovation Conference (GAIC-2016) held during 27th -29th November, 2016 at Noida International University, Greater Noida (U.P.), India.

Ms. Akankshi Trivedi (EE), et.al., published a paper on "A Multivariable MPPT algorithm for Granular Control of Photovoltaic System with Ripple Correlation Control", in IEEE Conference on Power Electronics, in November 2016.

POSTER PUBLICATIONS

Dr. Deepti Bharti (AS) presented a poster on "DBMS for chemical properties for soil health to increase the productivity" and was awarded 1st prize on the occasion of International Conference on Global Agricultural & Innovation Conference (GAIC-2016) held during 27th -29th November 2016 at Noida International University, Greater Noida (U.P.), India.

Dr. Moti Singh (AS), presented a poster at the 61st DAE-BRNS Symposium on Nuclear Physics during 5th-9th December 2016, with an orientation course on 4th December 2016 at Saha Institute of Nuclear Physics, Kolkata.

Dr.Kalpna Singh (AS), et.al., presented a poster on "Potential use of low-cost absorbents for the remediation of heavy metals from waste water", at International Conference on Strategies for Environmental Protection and Management (ICSEPM-2016), held from 11th to 13th December 2016 in the JNU Convention Centre, Jawaharlal Nehru University, New Delhi, India.

CONFERENCES / WORKSHOPS / SHORT-TERM PROGRAM ATTENDED

Dr. Yatin Agarwal (CSE) and Mr. Ashwini Verma (CSE) attended a two-week Cisco "CCNA Routing and Switching : Routing and Switching Essentials" course as part of Cisco Network Academy Program held at Amity Institute of Information Technology, Amity University, Uttar Pradesh, from 4th July to 15th July 2016.

Ms. Himdweep Khurana (CSE) attended a workshop on "What is AGILE and how is it beneficial for students and research scholars" at Amity Institute of Information Technology, Amity University, Uttar Pradesh, on 30th July 2016.

Dr. Ramveer Singh (IT) delivered a lecture in national Level seminar at victoria Hall, Trivandrum, Kerala on 1st August 2016.

Mr. Shiv Naryan Gupta (ECE) and Ms. Richa Chanana (ECE) attended Faculty Development Program on "Linear Integrated Circuit (LIC) and Embedded Technology", held at the JSS Academy of Technical Education, NOIDA from 5th – 10th September, 2016.

Dr. Dipti Bharti (AS) attended a workshop on "Scientific Programme & Workshop on Biostatistics", organized by Faculty of Dentistry and Centre for Culture, Media & Governance (CCMG), held at Jamia Millia Islamia, New Delhi on 07th September 2016.

Dr. Rajdev Tiwari (CSE) participated delivered a talk on the topic "Big data Analysis" in CSI Uttar Pradesh State Student Convention 2016 held on 24th September 2016 at the Donacharya Group of Institutions, Greater NOIDA, U.P.

Prof.(Dr.) Simmi Gurwara (AS) participated in a national symposium on 'Spirituality in Education' as guest of Honor and delivered a talk on "Value-oriented Education: The Need of the Hour" in Meerut on November 27, 2016

SPORTS CORNER

★ **The GNIOT Football Club lifted the trophy at the National Fest organized by IMS Engineering College, Ghaziabad.**

GNIOT FOOTBALL CLUB

The GNIOT Football Club lifted the trophy at the football tournament held in the 3-day National Fest organized at IMS Engineering College, Ghaziabad from 4th to 6th Nov 2016. Around 95 colleges participated in this 3 day event. GNIOT Football Club defeated Krishna Engineering College, Ghaziabad in the Semi- Finals to enter the Finals. Here, they faced G.L. Bajaj, Gr. NOIDA and by beating them, they clenched the coveted trophy. The victorious team comprised of Vicky Kumar

(Captain) (ME 4th year), Jijo Jose (ME 4th year), Faiz Ahmed (ME 4th year), Saurabh Meena (EC 4th year), Taposh Oraon (CE 4th year),

Ankit Singh (ME 4th year), Vaibhav Singh (EC 4th year), Tejasvi Kumar (CE 3rd year), Aayush Kumar (CE 3rd year), Deepak Singh (CE 3rd year).

★ **Students of GNIOT MBA Institute Chosen as volunteers for Duleep Trophy 2016 Matches**

Students of GNIOT MBA Institute were chosen as volunteers for the Duleep Trophy-2016 matches being played at Shaheed Vijay Singh Pathik Stadium, Greater Noida from 10th-14th September 2016. It's a privilege that students were selected as a member of the managing team for a national level event in which international cricketers gathered for the tournament.
