Job Notification Form	
COMPANY OVERVIEW	
Name of the Company	Qualtech
Website / Other source of Information	http://www.qualtechedge.com/
Company Type	Service
Brief write-up on the Company (50 to 75 words)	<p>Founded in 2003 as an IT solutions company, Qualtech is recognized as a leading provider of innovative software products and services for disruptive startups and enterprises. This has been made possible because of the tremendous trust our clients have placed in us. Qualtech is focused on maintaining this trust through relentless focus on customer success, getting things right the first time, and being responsive to clients as well as the dynamic technology landscape and market environment.</p> <p>Our flagship platform, miFIN is a financial technology platform built for the banking and lending industry. The platform offers a suite of products in the areas of lending, incentives, data quality, mobility, business intelligence, recon and lead management, that enables intelligent and faster decision making, drives operational efficiencies and ensures regulatory compliance.</p> <p>Through our IT implementation services, we help enterprises take the digital transformation journey through judicious use of technologies. We have helped startups develop and evolve their path-breaking products. Our 250+ strong team and expertise in a range of technologies enable us to bring application development and support in scale and quality to customers around the globe.</p> <p>Qualtech's vision is to continuously evolve its product portfolio and service offerings to create phenomenal business value for our customers across the world. In an environment where markets change rapidly, technologies turn obsolete, businesses face tremendous challenges to adapt, Qualtech exists to be a trusted partner to businesses through these changes and beyond.</p>
