ISSUE: FEBRUARY, 2022

VISION

Be known globally for value-added education, innovation, and research at the intersection of disciplines in service of humankind.

MISSION

- Place a multidisciplinary engineering education ecosystem that transforms learners into future innovators, entrepreneurs, and professional leaders.
- Create an ambience of interdisciplinary research, innovation, and creativity to address regional and global challenges for benefit of human life, and the environment.
- Provide an environment for enhancing knowledge, and inculcating critical & design thinking, life skills through quality learning systems.
- Collaborate with globally renowned academic & research institutions and corporate for improving productivity and economics.

ABOUT US

Established in the year 2001, GNIOT Group of Institutions has become one of the leading Institutions for Engineering and Management Programs in Delhi-NCR. At GNIOT, we share a strong commitment to a diverse community. It is a commitment born out of our long-standing belief in the transformation power of a strong and collaborative organizational culture. It recognizes that leveraging diverse perspectives enriches learning, inspires innovation and develops strong leaders.

For us, diversity encompasses many dimensions from personal characteristics to cultural traditions, political world views, academic training, life experiences and other aspects that shape human identity. At the core, all diversity matters. Differences affect how we think, react, solve problem and relate to others as people. Differences inform, enrich and empower human kind's collective capacity to create a better world materially, aesthetically and philosophically. We welcome the vibrant array of cultures, voices and unique perspectives that together make GNIOT a dynamic place to learn, teach and thrive.

Our faculty members, students and administrators find boundless opportunities to interact with peers from around the world and every imaginable background. They learn from each other in classrooms and seminars, through workshops, trainings, club activities, conferences and on global study trips. They forge lifelong bonds with others who share their intellectual curiosity and their desire to make a meaningful difference.

EDITORIAL

Dear all,
Greetings from the Editorial Board !

“It's not the beauty and aesthetics of a building that matters the most, what matters is the strong foundation upon which the magnanimous structure stands”

February is the month to remember and pay tribute to our Founder Chairman Late Mr. Krishan Lal Gupta, the pioneer, whose relentless efforts resulted in the actualization of our institution GNIOT.

The Founder's Day (Feb. 18, 2022) was celebrated with zeal and fervour in the Campus. Feelings and emotions overwhelmed all as the experiences and memories of his tenure were shared.

The month also saw many webinars for the development of students. 'Coding Combat' was also organised for 1st year students of B. Tech. and MCA so as to hone their skills in coding. Looking forward to your suggestions.

Best Wishes

FOUNDER'S DAY CELEBRATION

(Tuesday, February 18, 2022)

GNIOT Group of Institutions celebrates its **Founder's Day** on 18 February to mark the birth anniversary of the beloved Founder Chairman of GNIOT Group of Institutions, Late Shri Krishan Lal Gupta, who was a visionary and a philanthropist. He valued the importance of education for a progressive society and had been the pillar of strength for all. This year also Founder's Day was celebrated with fervor, zeal and full enthusiasm.

Formal inauguration of the event started by offering prayers to Maa Saraswati and a customary lamp lighting ceremony was conducted by our honourable Chairman- Shri

Rajesh Kumar Gupta Ji, Vice Chairmen- Shri Gaurav Gupta ji and Shri Bajrang Lal Gupta ji, Dr. Dhiraj Gupta (Director- GNIOT), Dr. Savita Mohan (Director- GIPS), Dr. Rudresh Pandey (Director - MBA), Dr. Arun Kumar Singh (Director - GIMS) and other distinguished guests and luminaries as a tribute to Goddess, an embodiment of knowledge.

The celebration was glittered by the thrilling performances by the students of GNIOT Cultural Club.

Director GNIOT, Dr. Dhiraj Gupta, Director GIPS, Dr. Savita Mohan and many faculty members shared their valuable and inspiring memories with our Founder Chairman.

FOUNDER'S DAY is indeed a very special day for GNIOT Group. Hon'ble Chairman of GNIOT Group Shri Rajesh Kumar Gupta Ji, also remembered and cherished the efforts of the 'Man' behind the organization. For GNIOTians, myriad emotions ran high as we commemorated the efforts put in by our visionary founder Revered Sri. K.L.Gupta Ji, who had toiled hard to reach this level where we are today enjoying the legacy of 20 years, it's a day memorable not only for the management but also for all the stakeholders of the organisation.

DEPARTMENTAL ACTIVITIES

EXPERT LECTURE ON DEEP LEARNING AND ITS APPLICATION (Tuesday, 8 February, 2022)

Department of Electronics & Communication Engineering successfully organized a webinar on '**Deep Learning & its applications**'. The eminent speaker, Dr. Vaibhav Soni, Associate Professor, MANIT, Bhopal, Ex- Faculty, BITS, Pilani, began his talk on Introduction on Artificial Intelligence, Machine learning &

Deep Learning & also explained about the deep learning & its applications in various domains of engineering such as Signal Processing, Biomedical & Computer Vision (Image processing).

Finally, he concluded his talk with various existing algorithm such as convolution Neural Network (CNN), R-CNN & its applications in the field of Computer Vision.

The session was very interactive & informative. It was attended by more than 75 students of 2nd & 3rd year ECE branch & all the faculty members of ECE department.

EXPERT LECTURE ON 'A SUCCESS STORY OF A SUCCESSFUL INNOVATOR TURNED ENTREPRENEUR'

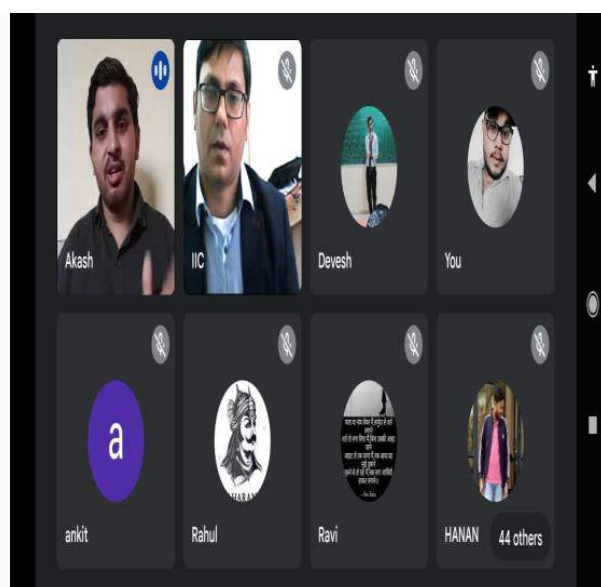

(Wednesday, 9 February 2022)

Institution's Innovation Council (GNIOT-132) in association with Mechanical Engineering Department and GNIOT-MSME Incubation Center organized an online expert talk on 'A Success story of a successful Innovator turned Entrepreneur' for the students of Mechanical and Civil III year and IV year. Mr. Akash singh (Founder & CEO, Engineer

Innovation) delivered an expert lecture focusing on the following objectives:

- To make them aware about how to become an innovator and carry out innovation(s).
- To provide insight into how to develop, organize and manage a business venture in order to enhance student's knowledge in the domain.
- To provide knowledge to the students about how to decrease unemployment and to develop industrially backward region.
- To know the pros and cons of being an entrepreneur.
- To make them understand the process and procedure involved in setting up small units.

Furthermore Mr. Akash Singh discussed his long journey. He also talked about his projects such as self-power generating walking stick, smart irrigation sprinkler and wind harnessing machine and how his work received accolades from the Ministry of Environment and Climate Change and MSME (GOI), New Delhi.

He also discussed about his start-up launching of his start-up Engineer Innovations, which recycles temple waste and enable prisoners to get a livelihood.

The expert lecture was held in online mode and was attended by 70 students and 15 faculty members. Dr. Dhiraj Gupta, Director- GNIOT and Dr. Iqbal Ahmad Khan, HoD, Mechanical welcomed Mr. Akash Singh. At the end of the lecture, Mr. Akash Singh interacted with the students and answered their queries related to the topic.

EXPERT LECTURE ON 'CONTROL SYSTEM'

(Monday, 14 February, 2022)

Electrical Engineering (EE) and Electronics & Communication Engineering (ECE) departments conducted a webinar on 'Control System' on 14 February, 2022. Mr. Anish Singh Rajput, an alumnus of IIT Bombay, and currently a faculty member with the ACE

Engineering Academy, was the guest speaker of the event. Mr. Singh taught the students on how to prepare the Control System subject for various competitive exams. Around 100 students from both EE and ECE departments attended the webinar and found it to be very interactive and informative. Mr. Sushil Singh, Assistant Professor, EE department, was the moderator of the webinar.

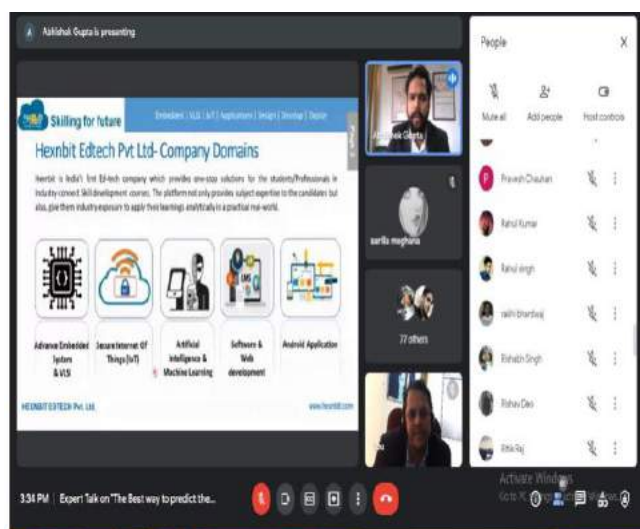

EXPERT LECTURE ON 'THE BEST WAY TO PREDICT THE FUTURE IS TO CREATE IT'

(Thursday, 17 February 2022)

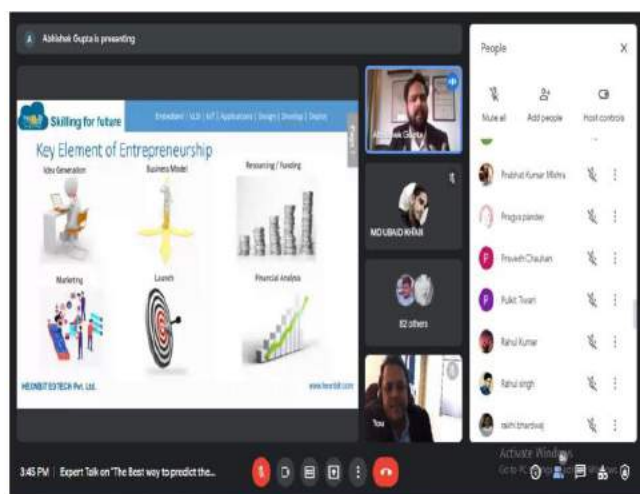

Department of Electronics & Communication Engineering and Electrical Engineering in association with the Institution's Innovation Council, GNIOT,

organized an expert talk on ‘The best way to predict the Future is to create it’ on 17 February, 2022.

The invited speaker, Mr. Abhishek Gupta, CEO and Founder of HexnBit, Noida, shared his experience and motivated the students towards entrepreneurship.

He gave a visual presentation on how the world would look after 25 years.

He said observing the requirement is the key to make your idea successful from average. The

session was attended by more than 90 students and all the faculty members of ECE and EE.

TREE PLANTATION

(Saturday, 19 February, 2022)

Tree Plantation program was organized by MCA Department of GNIOT on 19 February, 2022. It was lead by Prof. (Dr.) Dhiraj Gupta, Director, GNIOT.

Head of the MCA Department, Prof. (Dr.) Sheelesh Kumar Sharma, Deputy Head Mr. Harendra Singh, and several faculty members of the Institute, and students also attended the program.

Soldiers martyred in the Pulwama attack were paid a tribute by planting trees. The event was coordinated by Mr. Simranjeet Singh.

EXPERT LECTURE ON 'AUTOMATION STUDIO SOFTWARE' (Monday, 21 February, 2022)

Mechanical Engineering Department organized a Webinar on Automation Studio software. The software is provided by Famic Technologies Pvt. Ltd. Pune.

Mr. Rohan Bingi (Product Support Team Leader, Famic Technologies Pvt. Ltd., PUNE) delivered an expert lecture focusing on the following objectives:

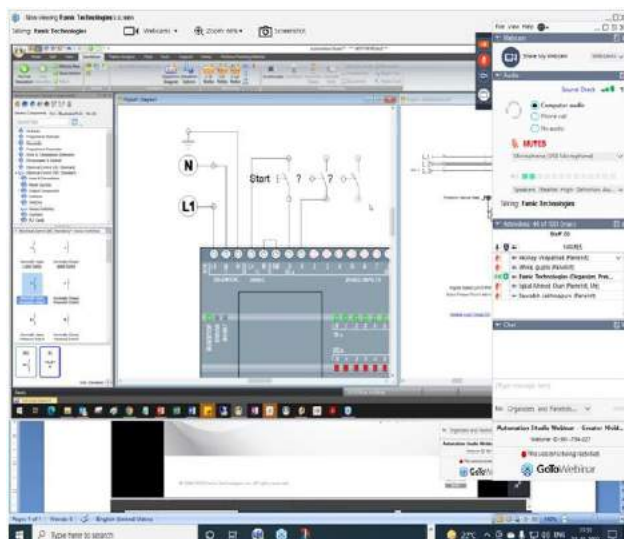

1. Basic Overview of the software and system requirements.
2. Problem Handling Capabilities of software in context with Engineering based industrial automation.
3. Outcomes and significance of the software specially related to Industrial Automation.
4. Detailed step-by-step illustration of a sample problem simulation.

The objective of the webinar was to provide overview on Industrial Automation for Mechanical, Electrical and Electronics Engineering students. The software performs simulation of Automation such as PLC programming, Hydraulic and Pneumatic circuits design etc. as per the requirements of the industries. Further,

Industrial Automation is the first step towards Industry 4.0.

organization through Robotic Process Automation (RPA).

The expert lecture was held in online mode. About 70 students and 10 faculty members attended the expert talk.

Dr. Dhiraj Gupta, Director- GNIOT and Dr. Iqbal Ahmad Khan, HoD, Mechanical welcomed Mr. Rohan Bingi. At the end of lecture Mr. Rohan Bingi interacted with the students and answered their queries related to the topic.

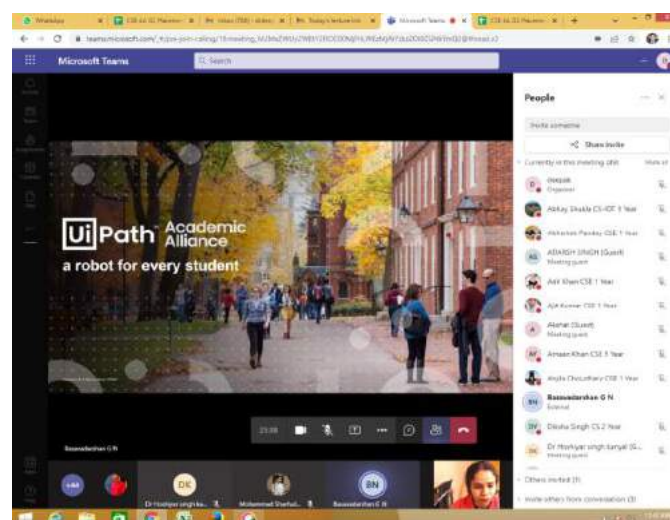

EXPERT LECTURE ON 'INTRODUCTION TO RPA'

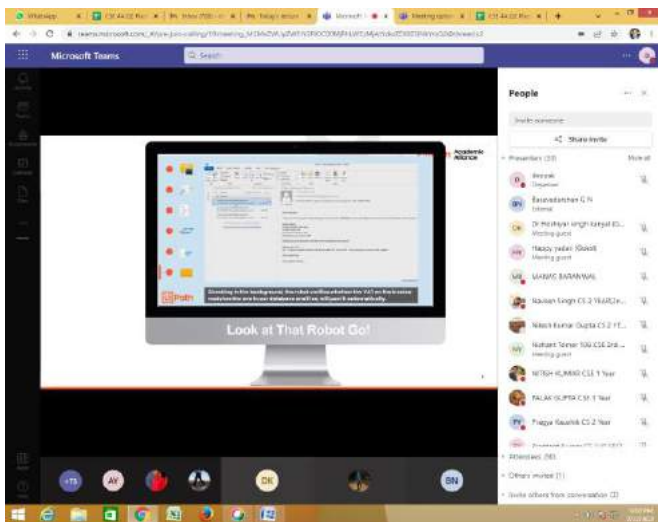

(Tuesday, 22 February, 2022)

Possibilities are limitless, but time is not. Discover a better way to get things done by automating business processes across your

RPA is a software technology that makes it easy to build, deploy, and manage software robots that emulate humans' actions interacting with digital systems and software.

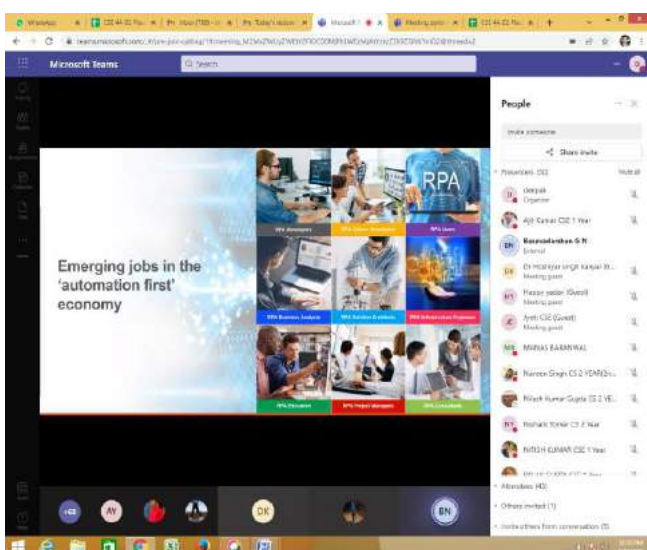

He shared his experience in the development of process automation using Robots. The session was attended by more than 75 students and the faculty members of CSE Department.

(Wednesday, 23 February, 2022)

The Electrical Engineering (EE) Department conducted a debate competition on 'Latest Technology in Collaboration with Indian Culture & Women Empowerment'. Chief Guest for the event was Ms. Indu Bhushan, HoD, EEE/ECE, LLOYD Engineering College, Greater Noida. She explained students about the use of latest technology for women empowerment and encouraged the students to support the same. A myriad of students participated in the debate competition and made it a huge success.

(Thursday, 24 February, 2022)

The Department of Electrical Engineering (EE) organized an Industrial Visit to 132 KV UPPTCL SUBSTATION, Sikandrabad, UP. SDO of the station Mr. Dhiraj Singh,

JE- Mr. Naresh, Incharge- Mr Shubham provided an insight to the students about the practical knowledge

ESSAY WRITING COMPETITION

(Friday, 25 February, 2022)

In order to enhance writing and intellectual skills of the students, EE Department organized an in-house Essay Writing Competition on 25 February, 2022. Following topics were covered for essay writing:

1. Should plastic be banned?
2. Pollution due to urbanization.
3. Education should be free.

Students of 2nd and 3rd year participated in the event with full zeal. Thanks to the relentless efforts of Dr. Nikhil Gupta, HoD, EE and the entire EE teaching fraternity who made the event a huge success.

Last but not the least, a special thanks to Dr. Rajesh Pathak, Director (QARM) for encouraging the students for actively participating in such events.

WEBINAR ON RENEWABLE ENERGY SOURCES

(Friday, 25 February, 2022)

The Electrical Engineering (EE) Department conducted a webinar on Renewable Energy Sources. Guest speaker of the event was Mr. Sanjay Kumar Singh, Deputy Director, National Power Training Institute (NPTI), Nagpur under Ministry of Power, Government of India.

Mr. Singh is a prominent figure in the field with an experience of 20+ years. Students of EE, ECE and CE participated with full zeal and got a chance to know the significance and utilization of diverse renewable energy sources for the goodwill of humanity.

WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS AND IP MANAGEMENT FOR START -UP

(Thursday, 24 February, 2022)

Outcome of the Program

1. Students gained experience of how to protect their innovation activities by using intellectual property rights.
2. It helped in enhancing interpersonal skills and Innovation techniques.
3. Participants got clear idea about how file patent on their idea and enhanced their innovative thinking.

WEBINAR ON RENEWABLE ENERGY RESOURCES

(Friday, 25 February, 2022)

Institution's Innovation Council (an Initiative of Ministry of Education, Government of India), MSME Business Incubation Center (an Initiative of Ministry of MSME, Government of India) in association with Civil and Mechanical Engineering Department organized an Industrial Visit on 24 February, 2022. Several research models placed at Pre-Incubation centre was demonstrated and explained by the experts including IOT based Smart Dustbin, Elevated Water tank, Automatic Drainage Cleaner, Smart Mover, Gas kit for two-wheeler, Sewage treatment plant, and Solar pesticide spray machine.

The Department of Civil Engineering in association with Departments of Electrical Engineering and Electronics & Communication Engineering organized a

Webinar on Renewable Energy Resources, for the students of these branches on Friday, 25th February, 2022. The guest speaker for the event was Mr. Sanjay K Singh, Deputy Director, NPTI, Nagpur.

The program intended to teach students about the advantages of renewable energy resources. Renewable energy is the form of energy available in the natural environment which can be replenished repeatedly. The concept of Sustainable Development & Environment Impact Assessment was discussed.

CODING CONTEST

(Friday, 25 February, 2022)

Department of MCA organized a Coding Contest on 25th February, 2022 for MCA first

year students under the leadership of Prof. (Dr.) Dhiraj Gupta, Director GNIOT. Coding contest is a mind sport that helps participants to become more disciplined, efficient and, most importantly, a better coder.

Thirty-six students participated in the competition. It was conducted in two computer labs in two rounds based on C programming and was invigilated by MCA faculty members.

Winners of the contest:

1st Prize- Aman Choudhary

2nd Prize-Nitin Jha

3rd Prize-Manas Rai, Chandra Prakash Singh, Suraj Chauhan.

Prof. (Dr.) Sheelesh Kr.Sharma, HoD-MCA, Prof. (Dr.) Amit Agarwal, HoD (CS-IOT & AIML), Mr. Harendra Singh (Deputy HoD-MCA), event co-ordinator Mohd. Salman Siddique, and all other MCA faculty members honoured winners with certificates and blessings.

ORIENTATION PROGRAM CUM WORKSHOP

(Saturday, 26 February, 2022)

Mechanical Engineering Department organized a five-day Orientation program cum workshop on Industrial Automation with elementary exposure on Automation Kits in NSIC, Okhla, New Delhi.

The objective of this orientation program was to make aware the Mechanical Engineering students with the need of Industrial Automation in Industries and provide a great help to our students in understanding recent advancement in Industrial Automation.

Furthermore, this program also helped to create a bridge between Academics and Industries.

During this program, students knew the fundamentals of Industrial Automation and further how they could link with Industry 4.0 technologies. Also, it explored placement opportunities for them in the industries. Detailed discussion with GM, Mr. OP Singh related to training was also done.

The orientation program was inaugurated by our honorable Director Prof. (Dr.) Dhiraj Gupta, HoD (ME) Prof. (Dr.) Iqbal Ahamd Khan and Faculty members of the department. The visit to NSIC was escorted by Prof. (Dr.) Iqbal Ahamd Khan and Dr. Avinash Ravi Raja. About 20 students attended the training program.

BOOK DISTRIBUTION CAMP (Monday, 28 February, 2022)

The Electrical Engineering (EE) Department organized a Book Distribution Event at a primary school in Greater Noida on 28 February, 2022.

Mr. Aneep Kumar and Mr. Ajay Singh escorted the students of EE department to the primary school and distributed books and other stationery items to the kindergarten students.

WEBINAR ON INNOVATION (Monday, 28 February, 2022)

Department of Information Technology had organized a Webinar on Innovation / Prototype Validation-Converting Innovation into a Start-up.

The resource person was Mr. Samrat Kishore, the Mentor on the Start-up India Program and Atal Innovation Mission.

Ms. Uma Tomar welcomed Mr. Kishore by thanking the management and the respected Director, Dr. Dhiraj Gupta and Dr.

Anuranjan Mishra, Dean R&D, for their guidance, support and motivation because of which the event could happen with a huge gathering. Prof. Vikas Singhal, HoD-IT introduced and welcomed the Guest by thanking him for accepting the invitation on such a short notice. Mr. Samrat Kishore is currently in Kuala Lumpur, Malaysia working in cyber security. Prof. Singhal also gave his regards and appreciation to all the people who made the webinar successful and also shared that such event could not have been possible without the sheer contribution of Management, Dr. Dhiraj Gupta, Director – GNIOT and others.

Mr. Samrat Kishore began the session with introduction of latest technologies and ideas of Start-ups and shared his journey of becoming a successful entrepreneur. He also talked about the upcoming challenges faced by young entrepreneurs. He concluded the session with the following objectives:

- To create consciousness of entrepreneurship among the participants.
- To illustrate how to incubate an idea with the aid of systematic layout.

- To guide the participants how to develop their social skills.
- To increase the coherent potentiality of students.

Around 100 students along with the faculty members attended the session. The session turned out to be interactive and students gained insights from venerated guest Mr. Samrat Kishore who shared his experiences, to make the students introspect, hone up their skills. At the last Ms. Uma Tomer extended vote of thanks to the eminent Guest, Hon'ble Management, torch-bearer of the event Respected Director, Director (QA & RM), Dean (R&D), HOD-IT, and the students for their coordination and support.

WORKSHOP ON DESIGN THINKING, CRITICAL THINKING & INNOVATION DESIGN

(Monday, 28 February, 2022)

ग्रेटर नोएडा। ग्रेटर नोएडा इंस्टिट्यूट ऑफ प्रोफेशनल स्टडीज में 'नई शिक्षा नीति (एनईपी) द्वारा पाठ्यक्रम और शिक्षाशास्त्र में सुधार' पर कार्यशाला का आयोजन किया गया। कार्यक्रम की शुरुआत माँ सरस्वती वंदना एवं दीप प्रज्ज्वलित कर की गई। प्रिंसिपल डॉ. सविता मोहन ने कार्यशाला में अपने हुए आज के प्रमुख वक्ता प्रो-वाईस चांसलर (यूपीटीयू) प्रोफ. ए. के. खरे जी का स्वागत किया एवं कहा कि राष्ट्रीय शिक्षा नीति 2020 को 29 जुलाई, 2020 को प्रधानमंत्री नरेंद्र मोदी द्वारा अनुमोदित किया गया था। नीति को विस्तार से समझने के लिए इस पर चर्चा बहुत आवश्यक है। ग्रेटर नोएडा इंस्टिट्यूट ऑफ प्रोफेशनल स्टडीज ने इसके लिए एक मंच प्रदान किया है। डॉ. राजेश पाठक, डायरेक्टर (क्यूएएम) जीएनआईओटी ग्रुप

द्वारा दिए गए सुझावों को सुधार के साथ कार्यक्रम को आगे बढ़ाया गया। उन्होंने सभी वक्ताओं को शुभकामनाएं दीं और कार्यशाला के संचालन के लिए संस्थान को शुभकामनाएं एवं सभी प्रतिभागियों को बधाई भी दी। डॉ. राजेश पाठक ने नई शिक्षा नीति के प्रमुख बिंदुओं पर चर्चा की उन्होंने कहा कि नई शिक्षा नीति किसी भी विषय को सीखने के व्यावहारिक पहलू पर केंद्रित है, क्योंकि यह अवधारणा को समझने का एक बेहतर तरीका माना जाता है। इससे प्रो-वाईस चांसलर (यूपीटीयू) एवं एडवाइजर, क्वॉटम यूनिवर्सिटी प्रोफ. ए. के. खरे जी ने नई शिक्षा नीति पर प्रकाश डालते हुए कहा कि शिक्षा को अपने विषय क्षेत्रों में विशेषज्ञता हासिल करनी चाहिए। उन्होंने कहा

कि यह शिक्षा नीति कुशल श्रम को और भी ध्यान केंद्रित कर रही है, जो भारत के लिए एक समस्या है। उन्होंने यह भी बताया कि शिक्षा को गुणवत्ता को कैसे बेहतर बनाया जा सकता है नई शिक्षा नीति कई उपक्रमों के साथ रही गई है जो वास्तव में वास्तव परिवर्तन को जरूरत है। नीति का संबंध अध्ययन पाठ्यक्रम के साथ केवल विषय पर ध्यान देना है। किसी भी चीज के सपने देखने से वह काम नहीं करेगा, क्योंकि उचित योजना और उसके अनुसार काम करने से केवल उद्देश्य पूरा करने में मदद मिलेगी। जिसकी जल्दी राष्ट्रीय शिक्षा नीति के उद्देश्य प्राप्त हों, उनका ही जल्दी हमारा राष्ट्र प्रगति की ओर अग्रसर करेगा इस कार्यशाला के लिए कुल 60 पंजीकरण प्राप्त हुए थे इस कार्यक्रम की मॉडरेटर प्रोफ. तारु मेहरोत्रा रही। अंत में धन्यवाद ज्ञापन देते हुए डॉ. अश्विनी कुमार डे द्वारा एक विस्तार रिपोर्ट साझा की गई एवं सभी प्रतिभागियों की प्रतिक्रिया ली गई।
