CHAIRMAN MESSAGE

A truly flourishing society is not built on mere progress; it thrives on the enlightenment of the individual—heart, mind, and soul. In an era where the race for material success often dims the light of fundamental human values, this enlightenment is no longer just an aspiration—it is the very foundation of a balanced and progressive world. Only when individuals awaken to wisdom, compassion, and purpose can society evolve in its truest sense.

Education, as a powerful catalyst for socioeconomic transformation, has the potential to reshape attitudes, refine thinking, and elevate lifestyles. It fosters flexible thinking and enhances decision-making capabilities, empowering individuals to navigate the complexities of modern life with wisdom and integrity.

Driven by a vision of empowering society with enlightened, skillful, and socially responsible citizens, we embarked on the noble journey of reconstructing the social order through education. By establishing premier educational institutions, we contribute in our humble way to the nation's progress.

At GNIOT Group of Institutions, we are committed to developing human capital that aligns with the evolving needs of both industry and society. Our approach integrates the timeless principles of Right Philosophy, Right Knowledge, and Right Conduct, ensuring a well-rounded and meaningful educational experience.

I extend my best wishes to all aspirants and assure them that, under the mentorship of our dedicated faculty, they will have the opportunity to harness their potential and shape a promising future.

I wish my students all the best.

Dr. Rajesh Kumar Gupta

Chairman
GNIOT Group of Institutions

“ALL OUR DREAMS CAN COME TRUE; IF WE HAVE THE COURAGE TO PURSUE THEM. SUCCESS ISN'T OVERNIGHT. IT'S WHEN EVERY DAY YOU GET A LITTLE BETTER THAN THE DAY BEFORE. IT ALL ADDS UP.”

VICE-CHAIRMAN MESSAGE

At GNIOT Institute of Professional Studies, education is more than just acquiring knowledge—it's about crafting a holistic learning experience that lasts a lifetime. In a rapidly evolving world, where societal needs are ever-changing, we go beyond textbooks to nurture responsible, disciplined, and socially conscious individuals.

Students, you stand at the threshold of a transformative journey. College education is not just a phase; it is the bridge to your future. The dedication and perseverance you invest today will shape the triumphs of tomorrow. Every effort, every moment spent in learning, becomes the foundation of your success.

As a renowned and highly esteemed institution, we uphold the highest academic standards, seamlessly blending knowledge with discipline to achieve excellence in results. We firmly believe that education is the cornerstone of a nation's progress, and with this conviction, we are committed to providing the finest academic training to empower students with the knowledge and skills necessary to excel in their chosen fields.

Our goal is not just to educate but to equip students with the tools to achieve their ambitions. We strive to make their time here meaningful, enriching, and impactful—a period of growth, discovery, and transformation. As the Vice Chairman of this esteemed institution, I urge students and parents to join hands with us in this noble endeavor. With collaboration, dedication, and vision, we can turn aspirations into reality.

To all aspiring professionals in Business Administration, Computer Applications, and Commerce, GNIOT is not just a place of learning—it is a launchpad for leadership. Here, you will find opportunities to grow, innovate, and emerge as pioneers in your fields.

Your journey begins here—embrace it, excel in it, and let's build the future together.

Mr. Gaurav Gupta

Vice Chairman
GNIOT Group of Institutions

"ONE HOUR PER DAY OF STUDY IN YOUR CHOSEN FIELD IS ALL IT TAKES. ONE HOUR PER DAY OF STUDY WILL PUT YOU AT THE TOP OF YOUR FIELD WITHIN THREE YEARS. WITHIN FIVE YEARS YOU'LL BE A NATIONAL AUTHORITY. IN SEVEN YEARS, YOU CAN BE ONE OF THE BEST PEOPLE IN THE WORLD AT WHAT YOU DO."

PRINCIPAL MESSAGE

Institutions play crucial roles in shaping the world's future through education in the form of knowledge creation. Also, it is paramount that we keep our cultural ethos alive while harnessing the power of modern technologies in shaping a constructive future.

I believe that an Institute is the highest temple of learning. Therefore, students and faculty must be provided with an enriching and empowering environment, which dynamically stimulates their inherent potential, leading to engaging them in an outlook beyond the realms known to them, resulting in the creation of a powerful future, where the responsibility of shaping the society is freely and gracefully accepted by them.

We recognize and appreciate the inherent quality of our educational systems and methods in carving a niche for our students, thus creating an impact in providing suitable placement for students in the industry. We at GIPS believe in the saying, "To reap the benefits tomorrow, we need to sow the seeds today" and thus our concerted efforts are to work on transforming the students into professional managers of tomorrow making a change not only in their personality but bringing a change in the society as a whole. We earnestly work to transform the student talent pool from the first day they join the GNIOT Institute of Professional Studies (GIPS). The multi-disciplinary approach of our curriculum focuses on experiential learning, better content delivery, and provisions for sports and extracurricular activities, which are integral components of the learning process.

Therefore, we will endeavor to inculcate the core values amongst our students in service of society. These values should be Contributing to National Development, Quest for Excellence, Promoting the Use of Technology, Promoting Global Competence, Ethics and Character Building. The need to expand higher education with the impact of technology on educational delivery, and the increasing private participation in higher education, have necessitated marked changes in the Indian higher education system.

GIPS wishes all students grand success in their career and prosperity in the future.

Prof. (Dr.) Savita Mohan

STUDENTS TESTIMONIALS

Sweta Dubey
B.Sc. (CS)
IVth Sem

The institute provides a perfect environment for learning and innovation. With advanced infrastructure and highly supportive faculty, students receive not only quality education but also continuous mentorship that helps them build confidence and practical skills for the future.

Darab Khan
BCA
IVth Sem

The institution provides excellent infrastructure with modern classrooms, well-equipped labs, and a comfortable learning environment that supports both academic and practical growth. The faculty members are highly knowledgeable, supportive, and always encourage students to explore new ideas and develop their skills. Their guidance and dedication play a vital role in shaping students' careers and preparing them for future opportunities.

My experience at GNIOT Group of Professional Studies has been truly wonderful and memorable. The college provides a supportive learning environment with highly knowledgeable and encouraging teachers. The faculty members always motivate students to achieve their goals and develop both academically and personally. The campus facilities and extracurricular activities help students grow with confidence and skills. I am grateful to be a part of this institution and thankful to all my teachers for their guidance and support.

Dhruv Sharma
B.Com (H)
II year

I would like to express my gratitude towards GNIOT group of Professional Studies, Greater Noida for helping me throughout my course and grooming me up. GIPS College gives an opportunity for students to have tremendous knowledge beyond the field of studies. Success is not a destination but a journey and GNIOT college helping me in that journey. I would like to thank the college and its faculty to polishing my skills. "Education is simply the soal of a society as it passes from one generation to another.

LIBRARY

THE INSTITUTE LIBRARY BOASTS AN IMPRESSIVE COLLECTION, WITH A TOTAL OF **11,560 VOLUMES** AND **1,073 TITLES**. AMONG THESE ARE **6 INTERNATIONAL** AND NATIONAL JOURNALS, ALONG WITH **11 POPULAR MAGAZINES** AND **5 NEWSPAPERS**. OUR COLLECTION INCLUDES WORKS BY BOTH INDIAN AND FOREIGN WRITERS, AND WE OFFER ACCESS TO E-BOOKS AND CD DATABASES. ADDITIONALLY, OUR LIBRARY IS FULLY AUTOMATED FOR ENHANCED EFFICIENCY AND CONVENIENCE.

PHYSICS LAB

The Physics lab serves as a crucial space for students of B.Sc. (Computer Science) to apply theoretical knowledge gained in lectures to practical experiments. Through hands-on activities and demonstrations, students explore fundamental principles of Physics, such as mechanics, electricity, magnetism, optics, and thermodynamics. This experiential learning environment allows students to develop critical thinking skills, enhance problem-solving abilities, and deepen their understanding of physical phenomena. Additionally, the lab fosters curiosity and creativity, encouraging students to ask questions, make observations, and draw conclusions, thereby enriching their overall learning experience in Physics.

LABORATORIES

ELECTRONICS LAB

In the electronics lab, students of B.Sc. (Computer Science) engage in the practical application of electronics theory, focusing on the design, construction, and testing of electronic circuits and devices. The Computer Architecture lab has been newly introduced in the updated curriculum of the BCA (1st Semester). This lab provides hands-on experience with basic concepts that make up the foundation of the entire computer system. It develops an understanding of how various parts & components inside the CPU interact with each other while processing the user's given instruction. Also, gives insight into the key parameters that are accountable for achieving good performance of the computer system.

COMPUTER LAB

The computer lab serves as a vital resource for students of B.Sc. (Computer Science) to develop proficiency in computer science, programming, and information technology. Equipped with computers, software tools, and networking infrastructure, the lab offers a collaborative environment for students to learn programming languages, algorithms, data structures, and software development methodologies. Students engage in coding exercises, simulations, and projects that reinforce theoretical concepts and enhance problem-solving abilities. Additionally, the lab facilitates exploration of emerging technologies such as artificial intelligence, machine learning, cybersecurity, and cloud computing. By gaining practical experience in the computer lab, students acquire essential skills for careers in software engineering, data analysis, cybersecurity, and other technology-related fields.
