TRANSFORMING STUDENTS INTO INDUSTRY READY PROFESSIONALS

#NEWSLETTER

VISION

Be known globally for value-added education, innovation, and research at the intersection of disciplines in service of humankind.

Mission

- Place a multidisciplinary engineering education ecosystem that transforms learners into future innovators, entrepreneurs, and professional leaders.

- Create an ambience of interdisciplinary research, innovation, and creativity to address regional and global challenges for benefit of human life, and the environment.

- Provide an environment for enhancing knowledge, and inculcating critical & design thinking, life skills through quality learning systems.

- Collaborate with globally renowned academic & research institutions and corporate for improving productivity and economics.

ABOUT US

Established in the year 2001, GNIOT Group of Institutions has become one of the leading Institutions for Engineering and Management Programs in Delhi-NCR. At GNIOT, we share a strong commitment to a diverse community. It is a commitment born out of our long-standing belief in the transformation power of a strong and collaborative organizational culture. It recognizes that leveraging diverse perspectives enriches learning, inspires innovation and develops strong leaders.

For us, diversity encompasses many dimensions from personal characteristics to cultural traditions, political world views, academic training, life experiences and other aspects that shape human identity. At the core, all diversity matters. Differences affect how we think, react, solve problem and relate to others as people. Differences inform, enrich and empower human kind's collective capacity to create a better world materially, aesthetically and philosophically. We welcome the vibrant array of cultures, voices and unique perspecfives that together make GNIOT a dynamic place to learn , teach and thrive.

Our faculty members, students and administrators find boundless oppurtunities to interactwith peers from around the world and every imaginable background. They learn from each other in classrooms and seminars, through workshops, trainings, club activities, conferences and on global study trips. They forge lifelong bonds with others who share their intellectual curiosity and their desire to make a meaningful difference.

EDITORIAL

Dear all

Greetings from the Editorial Board

"April, dressed in all its trim,
hath put a spirit of youth in everything"

-William Shakespeare

With the same youthful spirit of April, the GNIOT saw some exquisite rangoli designs in Rangoli making competition, where students showcased their artistic leaning through exceptional artworks. The Open Mic competition was another heart- stealer and provided ample opportunities to all to get absorbed in the stellar performances of the participants.
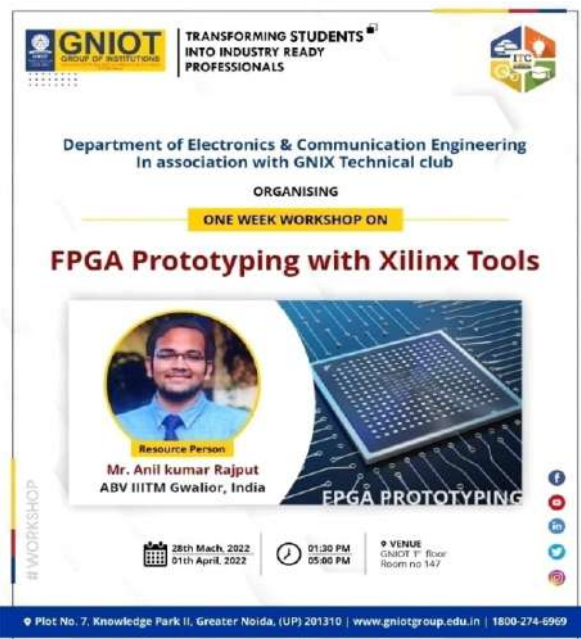

The Badminton Competition also witnessed some energetic participations. Apart from these,students were also engaged in many industrial visits as well as expert lectures which assisted in enhancement of their academic and practical knowledge.

Wishing for this youthful and energetic spirit throughout the year.

Best Wishes

ONE WEEK WORKSHOP ON 'FPGA PROTOTYPING WITH XILINX TOOLS'

(Friday, 1 April, 2022)

Department of Electronics and Communication Engineering, Greater Noida Institute of Technology (GNIOT), organized a one week workshop on "FPGA Prototyping with Xilinx Tools" for the III-year students, from March 28, 2022 to April 1, 2022. The workshop was intended to impart the knowledge of hardware implementation of digital circuits used in the industries. Focus of the workshop was to design the digital circuits and verify them on Xilinx Vivado

tool. The hardware description language such as Verilog was used to design the digital circuits. Then, the output was verified in the software by running simulations.

Further, the implemented code was dumped into FPGA kit (BASYS 3 FPGA board was used) and hardware implementation of the circuit was obtained.

Key speaker of the workshop was Mr. Anil Kumar Rajput, who is currently Pursuing his Ph.D. from ABV-Indian Institute of Information Technology and Management, Gwalior. He has done his MTech. from NIT, Rourkela. His interest areas include Energy- aware VLSI architecture design, in-memory computation systems, network-on-chip and analog circuit design. The entire session very knowledgeable and interactive for both faculty and students.

Though the workshop students learnt how to design the digital circuits using Xilinx Vivado tool. They also got to know how to simulate, synthesize and implement the circuit on FPGA, how to evaluate the critical circuit design parameters and got a hands -on-experience on FPGA Board.

ONE WEEK WORKSHOP ON 'FPGA PROTOTYPING WITH XILINX TOOLS'

(Friday, 1 April, 2022)

MCA department of GNIOT organized a visit to Rampur Banger village on April 6, 2022 under the vibrant leadership of Prof. (Dr.) Dhiraj Gupta, Director, GNIOT to discuss and find solutions to the problems faced by the villagers. The visit was an extension of activities designed to enlighten the students, the future stakeholders of our country regarding the issues faced by commoners, under the initiative of 'Unnat Bharat Abhiyan. GNIOT is constantly in touch with this adopted village to alleviate their problems. Such interactions broaden the horizons of the students and make them aware of their social responsibilities.

EXPERT LECTURE ON 'FUNDAMENTAL OF ENTERPRENURSHIP'
(Wednesday, 6 April, 2022)

Department of Mechanical Engineering organized an expert talk on "Fundamentals of Entrepreneurship" for the students of Mechanical engineering under the Banner of its Technical Club and in association with

Institutional Technical Committee (ITC). Dr. Rajeev Kumar (Associate Professor, GNIOT, Greater Noida) delivered an expert lecture focusing on the basics of Entrepreneurship in present scenario. Dr. Rajeev Kumar (Associate Professor, GNIOT, Greater Noida) was the speaker at the webinar. He has 20 years of work experience in the field of academics. The aim of expert talk was to familiarize students more extensively with today's buzz word entrepreneurship, enterprise, entrepreneur, traits of an entrepreneur, market assessment, steps involved in EDP, forms of an enterprise, how to become a successful entrepreneur and barriers to Entrepreneurship etc.

Dr. Dhiraj Gupta, Director, GNIOT and Dr. Iqbal Ahmad Khan HOD Mechanical welcomed Dr. Rajeev Kumar with their valuable words. At the end of the lecture, Dr. Rajeev Kumar interacted with the students and answered their queries related to the topic.

ONE WEEK WORKSHOP ON 'FPGA PROTOTYPING WITH XILINX TOOLS'

(Friday, 1 April, 2022)

The Electrical Engineering (EE) Department successfully conducted a webinar entitled Deregulation in Electric Power System on April 6, 2022. The webinar was presided over by Dr. Sumit Saroha, Assistant Professor, Department of Electrical Engineering, Guru Jambheshwar University of Science &

Technology, Hisar, Haryana. Dr. Saroha is a member of IEEE and has published several research papers in reputed International Journals. He illuminated the students about the deregulation concept in power system and made them aware of the key concepts related to generation, transmission, and distribution systems. Dr. Bhuvnesh Khokhar was the of moderator of the lecture.

TREE PLANTATION

(Wednesday, 6 April, 2022)

Someone's sitting in the shade today because someone planted a tree a long time ago!!

— Warren Buffett

With the sole motive to support this statement, the Electrical Engineering Department organized a Plantation Drive in the GNIOT 132 premises on April 6, 2022. All the faculty members of the department and students of 3rd year were a part of the drive. Chief Guest of the event was Mr. Aditya Singh, Head of Group, Tata Power- Delhi Distribution Board.

EXPERT LECTURE ON DEVELOPING ONLINE REPOSITORY OF START-UPS DEVELOPED/ INCUBATED AND WAY FORWARD PLAN

(Friday, 8 April, 2022)

"Every start-up has a chance to change the world, by bringing not just a new product, but an entirely new institution into existence"

Department of Information Technology organized a session on "Developing Online Repository of Start-ups Developed/incubated and Way forward Plan" in association with Institute's Innovation Council (IIC) on 8th April, 2022.

The resource person of the session was Mr. Shibananda Dash, Chief Executive Officer (CEO) NIT J, TBI. Mr. Shibananda is the gold medalist at IIM Kashipur and worked as the

CEO of IIM Kashipur for 3 yrs before joining NIT Jalandhar.

The objective of the webinar was to help the students to incubate the idea to promote and Develop Online Repository of new technology/ knowledge/ innovation-based startups.

Prof. Vikas Singhal, HoD-IT welcomed the guest and addressed the students. Prof. Singhal also proposed a Vote of thanks to the Management for their unconditional support and to Director sir for being always supportive and spreading the light of knowledge.

Mr. Shibananda Dash explained about developing online-repositories of Start-ups Developed/Incubated and Way-Forward Plan. The event was backed —up from the participant end with an interactive Question and Answer session. The session was very Intellectual, fruitful and Interactive.

The anchor of the session was Aarti, IT III- year student. The program was concluded by vote of Thanks by Ms. Uma Tomer, Assistant Professor, IT. The session was attended by more than 60 students and all the faculty members of IT Department.

INDUSTRIAL VISIT TO MAUSAM BHAWAN, INDIAN METROLOGICAL DEPARTMENT

(Friday, 8 April, 2022)

Greater Noida Institute of Technology organized an industrial visit on April 8, 2022 to I.M.D, New Delhi for the students of Computer Science & Engineering.

Prof. (Dr.) Santosh Srivastava & Prof. (Dr.) Vibha Oberoi were the faculty coordinators for the industrial visit.

Kuldeep Yadav & Nilesh Kr. Gupta were the coordinator students for the visit.

INDUSTRIAL VISIT TO MAUSAM BHAWAN, INDIAN METROLOGICAL DEPARTMENT

(Friday, 8 April, 2022)

Department of IT in association with GNIOT Cultural Club, Greater Noida Institute of Technology (GNIOT), Greater Noida

organized an Open Mic Event for the students of IT Department at Ground Floor, Seminar Hall, GNIOT Campus on April 8, 2022.

Dr. Dhiraj Gupta (Director-132), Dr. Rajesh Pathak (Director QA-RM), Prof. Vikas Singhal (HOD-IT) and the Faculty Members motivated and encouraged all the students of IT students to showcase their talent.

Kuldeep Yadav & Nilesh Kr. Gupta were the coordinator students for

More than 20 participants showcased their talent in the following activities:

·Group Dance

·Solo Dance

·Poetry

·Standup Comedy

·Singing

Dr. Dhiraj Gupta (Director-132), Dr. Rajesh Pathak (Director QA-RM) appreciated the effort of the Department and also appreciated all the participants. In addition, he also motivated other students to participate in such activities. All the faculty members along with the students enjoyed the event.

All the winners were awarded with Certificates.

Dr. Dhiraj Gupta (Director-132) also sang a very beautiful song. Dr. Ajay Sahu (Associate Professor, IT) announced the result of the event.

The winners of the event were:

·1st Position was bagged by Nidhi's Group for beautiful Group Dance on the Song "All is Well".
(Performed by -Nidhi and their Group Members from III year and II year)

·2nd Position was given to Standup Comedy
(Performed by- Shahnawaz from II year)

·3rd Position was bagged by Nilotpal
Yadav for Poetry from III year)

NATIONAL SEMINAR (IPR SEMINAR) BY CS– IOT
(Friday, April 15, 2022)

GNIOT-Institution's Innovation Council in association with CSE department and AI-ML department organized Intellectual Property Day under the guidance of our dynamic director, Dr Dhiraj Gupta on April 26, 2022. Event was started with the lamp lighting by Dr. Amit Agarwal, HoD AI-ML, Dr. Vijay Shukla, HoD CSE and Dr. Anuranjan Mishra, Dean (Research, Innovation & Development) of GNIOT.

This year the theme of World Intellectual Property Day was "IP and Youth: Innovating for a Better Future" and celebrates youth-led innovation and creativity.

Speaker of the event was Dr Anuranjan Mishra, Innovation Ambassador, Ministry of Education, Govt. of India and Dean (Research, Innovation & Development) of GNIOT.

Dr Mishra briefed the importance of Intellectual Property Day celebration as it nurtures the young engineering students on Ideation, IPR, product development, design thinking, problem solving and critical thinking.

ALUMNI TALK ON 'CLOUD AND DATA TECHNOLOGY'

(Monday, April 18, 2022)

The Electrical Engineering Department organized an Alumni Talk on April 18, 2022. Mr. Amit Mishra, an alumnus of the Department, 2009 batch was the guest speaker of the talk. Mr. Mishra is currently working as Solutions Lead with ZEISS group in delivering business solutions for ERP. He discussed about digital disruptions in cloud and data technology with the students and counseled them on choosing a right career

path post B. Tech. Nearly 50 students attended the talk and found it very informative. Mr. Sanjay Rawat, Assistant Professor, EE department. was the moderator of the talk.

POSTER MAKING COMPETITION

(Friday, April 22, 2022)

Department of Electronics and Communication Engineering in association of GNIOT Cultural Club, organized a poster making competition on the topics –"Ukraine war, Ban of Chinese App in India, Impact of Covid, Online vs. Offline" on April 22, 2022.

The activity started under the guidance of Dr. Mukesh Ojha (HOD ECE). Students expressed their creative ideas, skills, and awareness by making posters. The activity kept the student engaged and it was organized to explore and encourage creativityinthestudents. The efforts and initiative were appreciated by Dr. Dhiraj Gupta (Director GNIOT-132), Dr. Rajesh Pathak (Director QRAM).

Students were evaluated by the judges "Prof. Minakshi Awasthi (Convener, GNIOT Cultural Club), Prof. Shipra Shrivastav (IT Deptt), and Prof. Uma (IT Deptt)

The result of the event:

Position	Name of Student	Year
First	Karan & Abhishek	III
Second	Saniya & Ayushi	III
Third	Jayshree	III
	Nikhil	II
	Anshuman	II
	Animesh	II

The judgment was based on relevance to the theme, originality, artistic composition, creativity, message conveyed by the poster, and effectiveness in communicating the

intended message.The activity was well organized and executed by the faculty members of ECE Deptt and student coordinators (Pragya, Ujjwal and Shreya)

PAPER PRESENTATION COMPETITION

(Thursday, April 28, 2022)

MCA department organized a Paper Presentation Competition in association with ITC for MCA 1st year students on 28th April, 2022 on the technical themes. The aim behind organizing the event was to assess and gain student's insights and level of knowledge on various technical and innovative topics. A total of 10 teams participated in the competition and all the

teams performed very well. The competition started under the guidance of HoD-MCA Prof. (Dr.) Sheelesh Kumar Sharma, Deputy HoD-MCA, Mr. Harendra Singh and Mr. Simranjeet Singh (Faculty coordinator Tech M. Club).

Prof. Hoshiyar Singh and Prof. H.R. Singh judged and evaluated the student's performance. Prakash Kumar and Chandra Prakash Singh got the first position, Manas Rai and Pushpendra Sharma got second position and Kishlay Kumar and Riya got the third position. The activity was well organized and executed by Gunjan Chhabra (President Tech M. Club), Nitin Jha, Awanish Rai (Vice President TECH M. Club) and student coordinators.

INDUSTRIAL VISIT TO SARVOCH (INDIA) CORPORATION

(Thursday, April 28, 2022)

The Electrical Engineering (EE) Department organized an industrial visit to Sarvoch (India) Corporation, Bulandshahr on April 29,2022. Founded in the year 1965, Sarvoch (India) Corporation is a leading brand in designing, manufacturing, and repairing of

different types of distribution and power transformers. Nearly 50 students of all years of the EE department were a part of the visit. The students practically got to know about the following aspects:

1. Laminating the core of a transformer

2. How the oil is filled inside the transformer tank

3. Installation of bushes on the top of the transformer

4. Placement of the core and windings inside the transformer tank.

Overall, the visit proved to be very helpful to all the students from practical point of view. Thanks to the never-ending efforts of Dr. Dhiraj Gupta, Director, GNIOT 132, and Prof. Nikhil Gupta, HoD, EE without whom the visit would not have been possible.

EXPERT LECTURE ON INNOVATIVE PROJECTS-PROJECTS AS A PRODUCT

(Friday, April 29, 2022)

GNIOT-Institution's Innovation Council in collaboration with ECE & EE department

had organized a workshop on "Innovative Projects- Projects as a Product" on April 29, 2022 under the guidance of our dynamic Director Dr. Dhiraj Gupta.

Workshop started with the lamp lighting by Dr. Anuranjan Mishra, Dean (R&D), Dr. Vivek Gupta, Dr. Anil Dubey, Mr. Shiv Narain Gupta, Dr. Pooja Saxena and Mr. Harvinder Jindal of ECE department.

Speaker of the event was Dr. Anuranjan Mishra, Innovation Ambassador, Ministry of Education, Government of India. Dr Mishra told the students that creating project plans to focus product development is must. Students' projects must be industry centric so that they can be converted into products

COLLAGE MAKING COMPETITION

(Friday, April 29, 2022)

MCA department organized a collage making competition in association with GNIOT Cultural Club for MCA 1st year students on 29th April 2022 on Cultural themes. The competition started under the guidance of HOD-MCA Prof. (Dr.) Sheelesh Kumar Sharma, Deputy HoD - MCA, Mr. Harendra
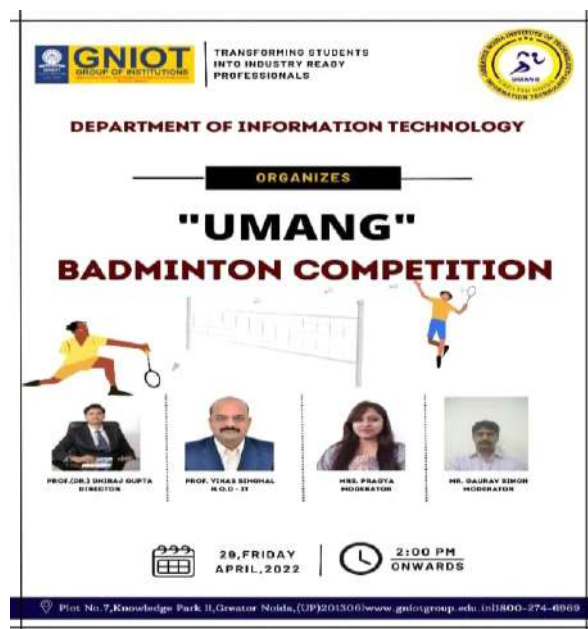

Singh and Ms. Shalu Mall (Faculty coordinator Cultural Club).

Prof. Shipra Shrivastav and Prof. Uma Tomar judged and evaluated student's performance. Nidhi Singh and Ayushi Singh got the first position. Awanish Rai and Tarzan Singh got the second prize. Neha Kukshal, Neelkanta Banerjee and Shreya Bharti, Parul Singh got the third position. The activity was well organized and executed by Shreya Bharti (President Cultural Club), Sachin Singh and Parul Singh (Vice President Cultural Club) and other student coordinators.

BADMINTON COMPETITION

(Friday, April 29, 2022)

Umang (Sports Club of IT Department, GNIOT) organized a badminton competition on April 29, 2022 at Boy's Hostel, GNIOT campus. The event was graced by Dr. Dhiraj Gupta (Director-132).

Dr. Dhiraj Gupta (Director), Prof. Vikas Singhal (HoD-IT) and Faculty Coordinator Mr. Gaurav Singh & Mrs. Pragya motivated and encouraged all the students to show their talent.

More than 20 participants showcased their talent in the tournament.

S.N.	Name of the winner	Prize	Year
1	Mohit Kumar	I	III
2	Vishal Singh	II	III
3.	Alok Ranjan	III	II

Around more than 50 students attended and enjoyed in the Event.

PLACEMENT DRIVE

PLACEMENT DRIVE WITH INTELLIPAAT

(Friday, April 1, 2022)

The Department of Training and Placement successfully conducted Placement Drive with INTELLIPAAT the students of B.Tech. (CSE/IT/ECE/EE/CE/ME)

Intellipaat is a global online professional training provider. We are offering some of the most updated, industry-designed certification training programs which includes courses in Big Data, Data Science

Artificial Intelligence and 150 other top trending technologies.

GNIOT family congratulates Nitin Kumar of ECE for being selected as BDE at a package of 9 LPA.

PLACEMENT DRIVE WITH POLYCAB INDIA LTD.

(Thursday, April 7, 2022)

The Department of Training and Placement successfully conducted Placement Drive with POLYCAB INDIA LTD the students of B.Tech. (ECE/EE).
GNIOT family congratulates Praveen Kumar Verma of EE and Abhay Pandey of ECE for being selected as GET at a package of 3.2 LPA.

PLACEMENT DRIVE WITH PTC SOFTWARE INDIA PVT LTD.

(Sunday, April 10, 2022)

The Department of Training and Placement successfully conducted Placement Drive with PTC SOFTWARE INDIA PVT LTD the students of B.Tech.(CSE/IT) & MCA.

PTC unleashes industrial innovation with award-winning, market-proven solutions that enable companies to differentiate their products and services, improve operational excellence, and increase workforce productivity.

GNIOT family congratulates Abhishek Pandey of CSE for being selected as Product Analyst at a package of 7 LPA.

PLACEMENT DRIVE WITH ERICSOON

(Thursday, April 7, 2022)

The Department of Training and Placement successfully conducted Placement Drive ERICSSON for the students of B.Tech. (CSE/IT/ECE).

Ericson aims to empower its employees to learn, lead and perform at their best, shaping the future of technology. GNIOT family congratulates Siddharth Tiwari and Ashutosh Kumar Pandey of CSE for being selected as Associate system trainee at a package of 4 LPA.

PLACEMENT DRIVE WITH PIGEON FOR BTECH (ME) & MBA

(Thursday, April 26 ,2022)

The Department of Training and Placement successfully conducted Placement Drive PIGEON the students of B.Tech. (ME).

Pigeon is a leading global baby care company with a wide portfolio of specialized mother care and baby care products.

GNIOT family congratulates Pankaj Kumar of ME for being selected as GET at a package of 3.5 LPA.

ALUMNI CORNER
ALUMNI TALK ON 'KNOW-HOW OF GETTING A DREAM JOB'

(Wednesday, April 13, 2022)

Department of Electronics and Communication under the aegis of Alumni Cell, GNIOT organized an online alumni talk on "Know-How of getting Your Dream Job " for the students of EC Department on April 13, 2022.

The key speaker of the talk was EC department Alumnus Mr. Paras Kumar Verma of Batch (2015-2019) currently holding the post of Associate Software Developer Engineer in Tekion Technology, Bengaluru.

He has experience in different areas of technology like Java, python, node is ,etc. The talk by Alumnus will give insights of technology adoptions, practices to be learn to get your desire job.

## ALUMNI TALK ON DESIGN CONCEPT IN PEB INDUSTRIES

(Wednesday, April 13, 2022)

In association with the Alumni Cell, Department of Mechanical Engineering organized a webinar on "Design concepts in the PEB industry".

Mr. Dalish Sharma (Assistant Manager- Design, EPACK Polymers Pvt. Ltd., Greater Noida), an alumnus of GNIOT (2015) was

the speaker of the event. He discussed in detail about PEB (Pre-Engineered Buildings)

The expert lecture was held in online mode. About 70 students and 10 faculty members attended the expert talk. Dr. Dhiraj Gupta, Director- GNIOT and Dr. Iqbal Ahmad Khan, HoD Mechanical Department welcomed Mr. Dalish Sharma.

At the end of the lecture, Mr. Dalish Sharma interacted with the students and answered their queries related to the topic.

## ALUMNI TALK ON 'CI/CD, JENKINS AND GROOVY'
(Wednesday, April 13, 2022)

Transforming students into Industry Ready Professionals' is the motto of

'To carry forward the tradition, MCA Department, under the guidance of their visionary Director, Prof. (Dr.) Dhiraj Gupta & HoD-MCA, Dr. Sheelesh Kumar Sharma, organized an Alumni talk on CI/CD, JENKINS, GROOVY on April 13, 2022.

Mr. Vinay Sharma, alumnus, GNIOT was the key speaker. He is working as a Computer Scientist, Adobe Systems , Noida.

The talk helped the students in understanding the professional aspects of Continuous Integration, CD, Jenkins & Groovy programming.

STUDENT ACHIEVEMENTS BEST PAPER AWARD

MCA 1st year students from MCA Department Ms. Gunjan Chhabra, Mr. Nitin Jha, Mr. Manas Rai and Mr. Nilkanta Banerjee participated and received best paper Award in AICTE Sponsored "International Conference on Technological and Economic Innovations through Artificial Intelligence Data Science and Cyber Security (ICTSEADC 2022) "at IMS Ghaziabad held on Aril 15 and April 16,2022.Students presented their research paper on "IOT and It's Various Smart Applications and Arduino

Board" under the guidance of Mohd Salman Siddique, Assistant Professor in MCA and Prof. (Dr.) Sheelesh Kumar Sharma, HOD MCA.

In this research paper students tried to solve some problems related to farming activities. It's really a proud moment to get award in the International Conference. The award stands alone proudly witnessing their hard work and dedication. We wish them to achieve their all dreams with their hard work and congratulate them for their achievements.

GNIOT Cricket team participated in the mega event organized by IEC, Engineering College. With the hard work and team spirit, GNIOT won the final match and lift the trophy and winner certificate.

WINNER–HACKATHON

The will to win, the desire to succeed, the urge to reach your full potential... these are the keys that will unlock the door to personal excellence. Five teams from IT third year and second year students participated in **HACKATHON (Code Fest) Competition at ITS, Ghaziabad** on April 22,2022

Kartik Rai, Anurag Prajapati, Raghav Gaur and Nitin Shrivastava won 2nd prize.

WINNER–SMASH CODING

Mr. Aman Choudhary & Mr. Himanshu Katiyar from MCA Department won second prize in "SMASH CODING" event held at "Lloyd Institute of Engineering &

Technology" on April 29, 2022. 22 teams from reputed University/Engineering colleges of NCR participated

WINNER– CODOMANIA

First year students won all the first three positions in "CODOMANIA ", Inter college coding competition held at IEC college, Greater Noida on 20th April. Over 100

students of different colleges from first to fourth year participated in the event.

First Prize- Deepika singh (CS-IOT)
Second Prize - Ashvani singh(IT)
Third Prize -khushal kesari (IT)

WINNER

Students of IT Department won first, second and third prize in the events held at Lloyd.

1.Hackathon (Team of IT with three students And IoT of 2 students), First Prize

2.Code Storm (Team of IT students), Second Prize

3.Web Spin (Team of IT students), Third prize

PAPER PRESENTATION

M. Tech final year student of ECE department Ms. Bhuvaneshwari Shankar as presented her paper title " Comparative Analysis of Full Adders using CNTFET in 32nm Technology " in 4th IEEE International conference (ICIEM-2022) at Amity university, Noida, on 27-29th April 2022.The presented Paper will be published into Proceedings of IEEE Xplore.
