

## SMRITI DIVAS - THE DEATH ANNIVERSARY OF THE FOUNDER CHAIRMAN OF GNIOT GROUP OF INSTITUTIONS

(2 January 2021, Saturday)

The fourth death anniversary of the **late Shri Krishna Lal Gupta**, the founder of the institute, was organized in Greater Noida Institute of Technology on 2 January 2021 in the premises of the Institute.

On this occasion his elder son and **Hon'ble Chairman of GNIOT Group of Institutions, Shri Rajesh Gupta**, along

with **Shri B. L. Gupta - Hon'ble Chairman of G.N. Group**, **Hon'ble Vice Chairmen -Shri Gaurav Gupta & Shri Bajrang Lal**, **Hon'ble Member of Management - Shri J.S Rawal**, **Director Engineering Institute- Dr. Dhiraj Gupta**, **Director MBA Institute - Dr. Savita Mohan**, **Director GIMS- Dr Arun Kumar Singh**, **Director GIPS-Dr Dileep Singh**, Deans, HoDs, Faculty members and other staff members paid their soulful tributes. All the hardworking employees associated with the institute paid homage to him.

This day is dedicated in his honour as 'Smriti Divas' every year to pay gratitude to him as a token of appreciation for his noble services to the nation. **Late Shri Krishna Lal Gupta ji**, Founder of the Group, was a diligent, dutiful and simple person, as well as a true benefactor of education. He touched the heights of success in his life with hard work and foresight. He believed not only in himself but also in the development and welfare of the society as a whole. He gave his valuable contribution in the field of multifunctional creative works as well as education in his life.

On 2nd January 2017, he bid farewell to this world, giving his valuable contribution in the field of education. His valuable contribution in the field of education will be remembered for eternity. Everyone prayed to God for his soul to rest in peace.

## WEBINAR ON SCIENCE & TECHNOLOGY COMMUNICATION THROUGH OTT PLATFORMS

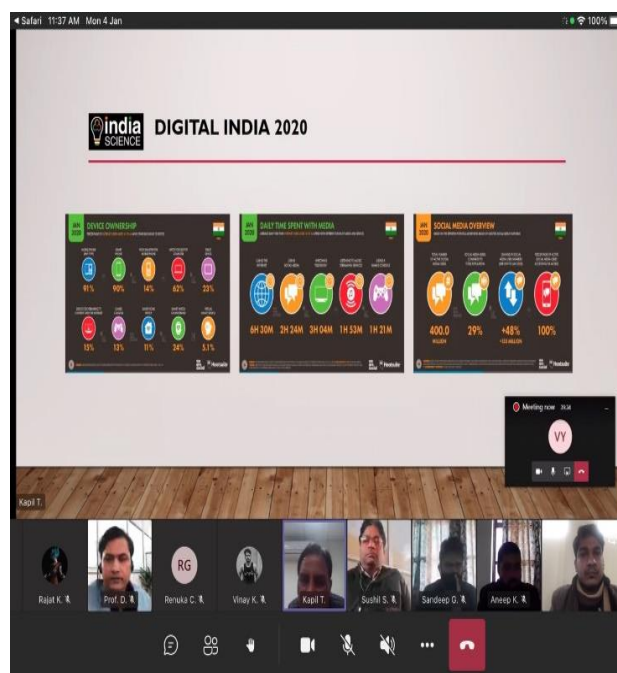

(4 January 2021, Monday)

The Department of Electrical Engineering organized a webinar on “Science & Technology Communication Through OTT Platforms” on 4<sup>th</sup> January 2021.

**Mr. Kapil Kumar Tripathi, Scientist F and Principal Investigator (DST, Govt of India),** was the speaker of the webinar.

Under his leadership, new innovative scientific contents are being made available to common mass through India Science OTT channel, Doordarshan National, Rajya Sabha TV, and science activity kits. He has been instrumental in producing more than 10 TV science serials, 160 documentary films, 200 science news based programmes, 5 radio science serials, and 10 activity kits. The workshop was coordinated by Mr. Nikhil Gupta, HOD of EE Department. Around 50 students and faculties attended this webinar.

The Guest speaker Mr Kapil Kumar Tripathi discussed the importance of the emerging over-the-top (OTT) technology for the spread of science and technology and also briefed about related challenges. Audiences got the opportunity to learn and grasp the information about the share of the OTT platforms in India in the year 2020.
