

DEPARTMENTAL ACTIVITIES

EXPERT TALK ON GAME THEORY

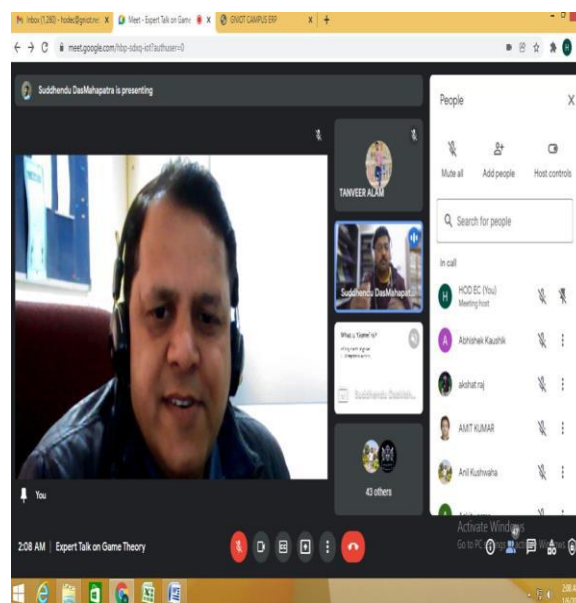

(Thursday, January 6, 2022)

Department of Electronics & Communication Engineering organized a webinar on 'Game Theory' by **Dr. S. D. Mahapatra** (Associate Professor, Manipal University, Jaipur) on 5th January, 2022.

Dr. S. D. Mahapatra thoroughly explained about Game Theory Solutions for the Internet of Things.

Emerging Research and Opportunities examines the latest strategies for the management of IOT systems and the application of theoretical models to enhance real-world applications and improve system efficiency highlighting innovative algorithms and methods, as well as coverage on cloud computing, cross-domain applications, and energy control.

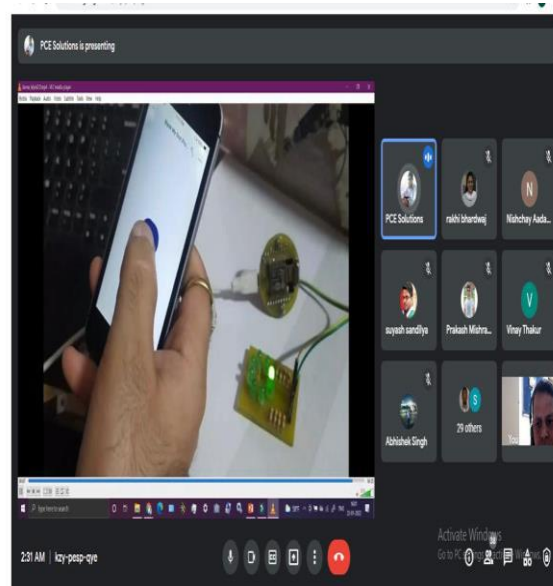

The webinar was attended by 42 ECE second year students and 8 faculty members were the active part of the webinar. The entire session was quite interactive & informative.

WEBINAR ON APPLICATION AND SCOPE OF ARDUINO PLATFORM IN IoT

(Saturday, January 22, 2022)

Department of Electronics & Communication Engineering organized a webinar on 'Application and Scope of Arduino Platform in IoT' by **Mr. Anshuman Prakash**, senior embedded & IOT mentor at HexNBit Pvt. Ltd., Noida) on 22nd January, 2022. The session started with the introduction on Arduino & its real time application in IOT.

At the end of session, Mr. Anshuman Prakash demonstrated few live demos on Arduino interfacing with other devices and explained various Arduino applications and concerned protocols. The entire session was very interactive & knowledgeable for one & all.

WEBINAR ON 'APPLICATIONS OF GIS & REMOTE SENSING IN CIVIL ENGINEERING'

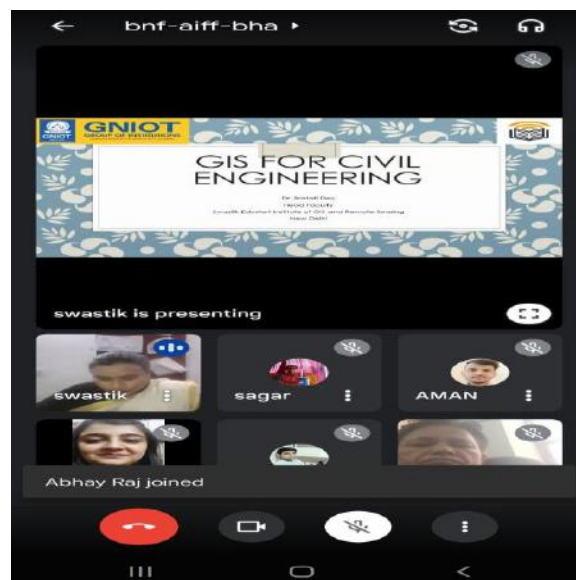

(Tuesday, January 25, 2022)

Department of Civil Engineering organized a webinar on 'Applications of GIS & Remote Sensing in Civil Engineering' on 25th January, 2022. The guest speaker for the event was **Dr. Bratati Dey**, Head Faculty,

GIS & Remote Sensing in Swastik Edustart Institute of GIS & RS, New Delhi.

The session was conducted to provide students with the knowledge of two latest technologies of modern surveying: Geographic Information System (GIS) and Global Positioning System (GPS), their applications as well as outcomes. Students were also made aware of the vast plethora of job opportunities related to these two technologies. The entire session was very informative, interactive & knowledgeable for everyone.

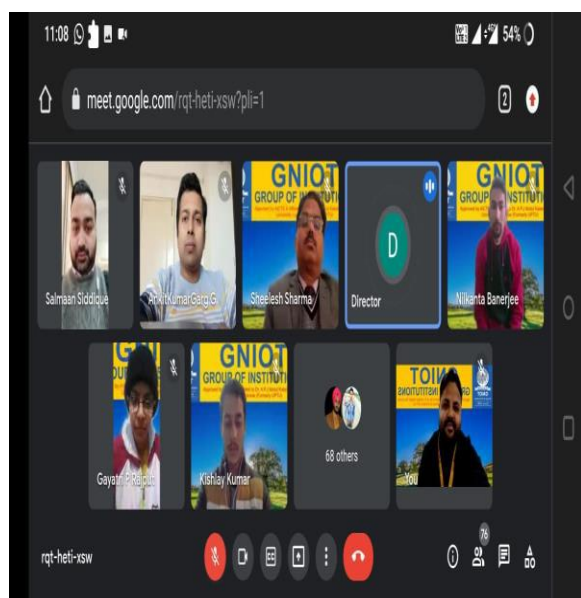

WEBINAR ON FIREBASE (Saturday, January 29, 2022)

Department of MCA organized a webinar on January 29, 2022 (Saturday) under the vibrant leadership of **Director GNIOT Prof. (Dr.) Dhiraj Gupta**.

Distinguished speaker **Mr. Ankit Kumar Garg, Senior Manager, Airtel Payments Bank** delivered a talk on 'FIREBASE' for MCA students through google meet. Firebase is a platform developed by Google for creating mobile, web applications and provides tools for tracking analytics, reporting and fixing app crashes. Mr. Ankit

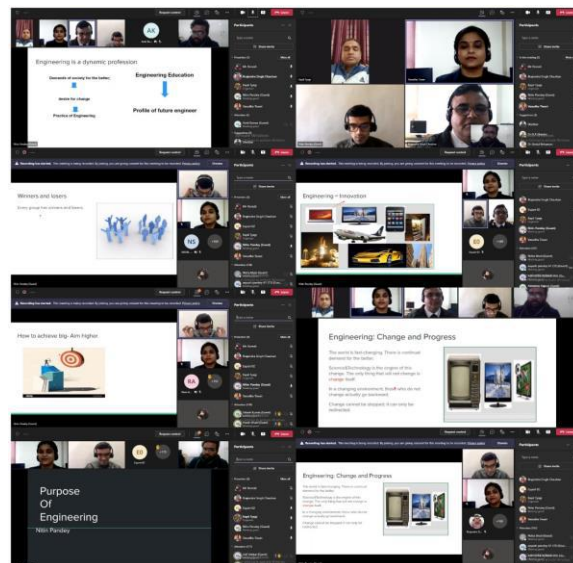

discuss about how to create android apps using firebase.

EXPERT LECTURE ON SETTING GOALS FOR THE FOUR YEARS OF ENGINEERING

(Saturday, January 29, 2022)

Department of B. Tech. First Year organized an interactive session on 'Setting Goals for four years of Engineering' with Mr. Nitin Pandey as the expert speaker.

Dr. B. S. Chauhan, Dean 1st Year officially welcomed the keynote speaker and **Dr. Dhiraj Gupta, Director (GNIOT)**. In his welcome note, he exhorted students not to stop learning and make it an integral part of their lives.

Then **Dr. Dhiraj Gupta, Hon'ble Director Sir** addressed the students. He emphasized on the importance of direction, focus and the necessity of goals in the lives of students. He informed them of the excellent infrastructure available and the well-focused management responsible for their all-round development.

Ms. Vasudha Tiwari, the moderator of the webinar then formally introduced the expert.

In his address, Mr. Nitin Pandey advised the students to develop liking and fall in love with Engineering, if they want to be a good engineer. He suggested them not to lose hope in adverse conditions and start from the scratch. He necessitated to aim higher for actualization of the aims of life. He exhorted students to focus on Smart work along with Hard work for the ultimate success. Persistence with practical learning is what is needed. He emphasized on the need to strengthen the CORES- the elixir of existence in any industry. Inquisitiveness, embracing change, setting standards and passion are what the students need for realization of their goals.

At last, the field was left open for questions. The webinar was very fruitful and informative for students and helped them in understanding the nuances of the industry necessary for their skill development. The webinar was organized by the technical committee members, Dr. Kapil Tyagi, Mr. Arun Kumar and Mr. Horesh kumar.

WEBINAR ON AMAZON WEB SERVICES DATED

(Monday, January 31, 2022)

Electrical Engineering Department organized a webinar on **Amazon Web Service (AWS)** on 31st January, 2022. Key speaker of the webinar was **Mr. Ankit Kumar Gupta, Data Engineer** with **Amazon**.

In most simple language, AWS is a secure cloud services platform, offering compute power, database storage, content delivery and other functionality to help businesses scale and grow. Huge success of the webinar was all due to the relentless efforts of Dr. Nikhil

Gupta, HoD, EE and the entire teaching fraternity of the department. The students of 3rd and 4th years of the department participated in the event and found it to be very interactive.

PLACEMENT CORNER

PLACEMENT DRIVE WITH HEXAWARE

(Monday, January 3, 2022)

Department of Training and Placement successfully conducted Placement Drive with HEXAWARE for the students of B.Tech. (CSE/IT/ECE/EE) & MCA.

Hexaware is a fast-growing automation-led next-generation service provider delivering excellence in IT, BPO and Consulting services. They are driven by a combination of robust strategies, passionate teams and a global culture rooted in innovation and automation.

Hexaware's digital offerings have helped clients achieve operational excellence and customer delight. Their focus lies on taking a leadership position in helping clients attain

customer intimacy as their competitive advantage. They are now on a journey of metamorphosing the experiences of the customer's customers by leveraging their industry-leading delivery and execution model, built around the strategy— 'Automate Everything™, Cloudify Everything™, Transform Customer Experiences™'.

GNIOT family congratulates the following students for getting selected as GET at a package of 4.0 LPA:

S.N.	NAME	BRANCH
1.	ANKUSH BAGHEL	CSE
2.	KULDEEP CHAUHAN	CSE
3.	MADHU KUSHWAH	ECE
4.	PRABHU BISHT	CSE
5.	RICHA MISHRA	CSE
6.	RISHABH RAJ	CSE
7.	ROHIT SINGH	CSE
8.	SHARDUL GAUTAM	CSE
9.	SHRADHHA SHUKLA	CSE
10.	SHRISTI KUMARI	CSE

PLACEMENT DRIVE WITH HITACHI

(Wednesday, January 5, 2022)

Department of Training and Placement successfully conducted Placement Drive with HITACHI for the students of B.Tech.(CSE/IT/ECE).
